REFERENCE BOOKS

Biographies (all multi-volumes)

REF E 176.D563	*Dictionary of American Biography (DAB)*	Covers only DEAD Americans. Bibliography at the end of each article. Set of 10 volumes with 10 supplements. Original 10 alphabetize Americans who died before 1927. To find a person who died after 1927, use the index in the very last supplement. The set covers Americans who have died up to 1980.
REF E 176 .D564	*American Lives*	Starts in 1980 where *DAB* stops.
REF CT 213 .A68 1999	*American National Biography*	Replaces *DAB*. Americans who died before 1999 are in the original set. Lesser known Americans will be more likely found in this set.
REF CT 214 .G74 1987	*Great Lives from History: American Series*	Shorter articles that relay a person's major contributions to the world or impact on history. Contains a bibliography.
REF E 174 .L90	*Harper's Encyclopedia of United States History*	10 volumes, arranged alphabetically. Contains pictures and maps. FRAGILE!

Dictionary (multivolume)

REF E 174 .A43 1976	*Dictionary of American History*	This is similar to an encyclopedia. The best way to use this would be to look up the name of a battle or town and go from there.
REF E 468 .J777 2011	*Historical Dictionary of the Civil War*	Contains many entries on key figures, battles, and locations.
