Mayville State University

At Mayville State, you'll earn more than a degree. You'll earn an education.

English/English Education • *Bachelor of Arts* *Bachelor of Science in Education*

Personal Service

We pride ourselves on being just the right size to give students the time they need to be successful. Our average class size is 15, so you will have small, personalized class settings with a technological focus for you to receive the education that you deserve. Your professors will introduce you to new ways of thinking, explore issues creatively, and evaluate ideas as you engage in the world.

Opportunity

Whether it's music, athletics, or politics, students at MSU have the chance to participate in a variety of activities and clubs. These organizations are a great way to make new friends with similar interests, and the involvement outside the classroom looks great on a resume.

Some clubs and activities include:
- Theater
- Band & choir
- Computer Technology Club
- Science Club
- Comet Radio
- Student government
- Intramural sports

Success

Our students get jobs. Period. Job placement rates are consistently 96-98%! We also have internship opportunities to give you real, hands-on learning experiences and make your resume stand out.

Value

The combination of MSU's affordability and its unique offerings make it a Best in the Midwest College, as designated by the Princeton Review. MSU was also named one of the 2013 top three Public Regional Colleges in the Midwest by U.S. News & World Report.

The Program

Develop language skills and experiences and a sound appreciation for the liberal arts in Mayville State University's English/English education programs. MSU provides quality literary experiences that help prepare you for a wide variety of career opportunities.

Mayville State University's English programs prepare students for careers, life-long learning, citizenship, cultural enhancement, and problem solving. Core requirements provide a comprehensive overview of basic materials and a commitment to innovative technology-enriched education and learning relationships with community, employers, and society.

Advantages

Mastery. MSU's English faculty have been published nationally and internationally and/or taught abroad. The English department emphasizes a proficiency in basic language skills needed to learn and communicate clearly.

Faculty-to-Student Ratio. Small class sizes provide the attention students deserve and the education they want. Students have ample opportunities to voice thoughts and opinions in classes and to build positive relationships with instructors.

Life-long Learning. High expectations and demands are placed on Mayville State's English students, allowing them to graduate with an appreciation for the humanities and liberal arts, a basis for many post-baccalaureate programs.

Emphasis is placed on the development of a sense of literary appreciation and judgment in Mayville State University's English programs. Core requirements provide a comprehensive overview of basic materials, but upper class students are expected to work toward a sense of real comprehension and mastery of the subject, an understanding that will provide a solid intellectual foundation in the entire area of language arts.

A Word About Our Grads

Mayville State University graduates in English/English education have successfully pursued graduate studies at University of North Dakota and North Dakota State University. They also enjoy careers in the Fargo School District, in many other area and regional school districts, and in law, business, and the ministry.
