**Job Posting Date: February 6th, 2014** **Application Review Date: February 21, 2014**

Job Title: Assistant/Associate Professor of Business

Location: Mayville State University, Mayville, ND

Compensation: Salary and Rank are commensurate with level of preparation and experience

Job Description:

The Division of Business & Computer Information Systems at Mayville State University is seeking a full-time, tenure-track faculty position. Primary teaching duties would include general business administration coursework. Teaching assignments may include, but are not limited to: marketing, management and entrepreneurship. Courses are delivered via multiple modalities. (IVN, online, hybrid, face to face). Other duties include academic advising, committee work, and other related division responsibilities as assigned.

Requirements:

Minimum qualifications:

- Master's degree in a business or related field.
- Teaching experience at a postsecondary institution
- Effective communication and interpersonal skills
- Relevant business or industry experience

Preferred qualifications:

- Demonstrated leadership and community service
- Experience with a variety of technologies and course delivery methods
- Experience applying information technology in a business environment
- Additional graduate level degree
- 3 years full-time teaching experience at a postsecondary institution

To apply, submit a MSU Employment Application (available at www.mayvillestate.edu click on "About Mayville State / employment opportunities"), letter of application addressing position criteria, a current resume, transcripts, and three current letters of reference specific to the position to: Noah Fischer, Human Resource Officer, Mayville State University, 330 3rd Street NE, Mayville, ND 58257. Applicant materials received by February 21st, 2014 will receive first consideration.

For specific questions regarding this position contact Dustin Olson, dustin.olson3@mayvillestate.edu, chair of the search committee.

Mayville State offers a competitive benefit package including family health coverage and employee retirement plan.
