Job Posting Date: January 9, 2014 **Application Closing Date: Open until filled**

Job Title: Nursing Program Director & Assistant/Associate Professor of Nursing

Location: Mayville State University, Mayville, ND

Compensation: Salary and Rank are commensurate with level of preparation and experience

Job Description:

The Division of Science and Mathematics at Mayville State University is seeking to fill a full-time, tenure track Program Director of Nursing and Assistant/Associate Professor of Nursing position. The Program Director leads faculty in the daily functions of RN to BSN program and displays excellence in teaching, scholarship, recruiting/mentoring of faculty, front-line management, and service to students, the University, and the community. The Program Director's role includes, but is not limited to, various administrative decisions, corresponding processes, and accreditation tasks for the RN to BSN program. This position also carries a faculty teaching load, academic advising and committee assignments. The position requires teaching face-to-face on campus, online, IVN, hybrid, or distance. Starting date of June-July 2014.

Requirements:
Minimum qualifications:

- Master of Science in Nursing
- Minimum of 2 years experience teaching in higher education.
- Minimum of 5 years experience in a clinical practice or educational setting
- Current (or eligible for) North Dakota Registered Nurse license.
- Teaching experience face-to-face, online, IVN and hybrid in a higher education setting
- Evidence of professional development
- Background/experience in applying instructional technology as a tool in education (e.g. Excel; Word; Presentation Graphics; LMS)

Preferred qualifications:

- Terminal degree or enrolled in doctoral program in nursing or a related field
- Current unencumbered North Dakota Registered Nurse license.
- Five years experience teaching in higher education
- Two years experience teaching in an online environment.
- Higher Education Leadership experience.
- Experience with programmatic accreditation processes
- Experience with community service and service learning
- Background/experience in Moodle

To apply, submit a MSU Employment Application (available at www.mayvillestate.edu click on "About Mayville State / employment opportunities"), letter of application addressing position criteria, a current resume, transcripts, and three current letters of reference specific to the position to: Noah Fischer, Mayville State University, 330 3rd Street NE, Mayville, ND 58257. Applicant materials received by February 17th, 2014 will receive first consideration.

For specific questions regarding this position contact Dr. Robert Miess, Division Chair for Science and Mathematics by emailing robert.miess@mayvillestate.edu .
