Donor Recognition

In an attempt to properly recognize donors to the MSU Foundation while also being environmentally friendly, we have decided not to print the listing of donors in the MSU Today, but to make our listing of donors available on the Mayville State University Web site at www.mayvillestate.edu/alumni_and_friends. New lists will be published quarterly. This decision will also help to save printing and mailing costs. If you are not able to access the list on-line, please contact the MSU Foundation office, and a paper copy will be mailed to you.

We want to know what you think ...

Please provide us with some feedback. How do you feel about the decision to print donor listings on-line? Send your comments to alumni_mail@mayvillestate.edu.
