Job Posting Date: January 29, 2014 **Application Closing Date: February 17, 2014**

Job Title: Assistant/Associate Professor of Nursing

Location: Mayville State University, Mayville, ND

Compensation: Salary and Rank are commensurate with level of preparation and experience

Job Description:

The Division of Science and Mathematics at Mayville State University is seeking to fill a full-time, tenure track Assistant/Associate Professor of Nursing position. The Nursing Faculty member is responsible to the RN to BSN Program Director for development, planning, implementation and evaluation of assigned courses in the program. The faculty member assumes a role in systematic evaluation of the RN to BSN program for quality improvement and accreditation activities. This position also carries academic advising, potential to assume a leadership or coordinating role in assigned courses and committee assignments. The position requires teaching face-to-face on campus, online, IVN, hybrid, or distance. Starting date of June-July 2014.

Requirements:
Minimum qualifications:

- Master of Science in Nursing
- Minimum of 2 years experience in a clinical practice or educational setting
- Current (or eligible for) unencumbered North Dakota Registered Nurse license.
- Teaching experience face-to-face, online, IVN and hybrid in a higher education setting
- Evidence of professional development
- Background/experience in applying instructional technology as a tool in education (e.g. Excel; Word; Presentation Graphics; LMS)

Preferred qualifications:

- Terminal degree in nursing or a related field
- Current unencumbered North Dakota Registered Nurse license.
- Experience teaching in higher education.
- Two years experience teaching in an online environment.
- Experience with community service and service learning
- Background/experience in Moodle

To apply, submit a MSU Employment Application (available at www.mayvillestate.edu click on "About Mayville State / employment opportunities"), letter of application addressing position criteria, a current resume, transcripts, and three current letters of reference specific to the position to: Noah Fischer, Mayville State University, 330 3rd Street NE, Mayville, ND 58257. Applicant materials received by February 17, 2014 will receive first consideration.

For specific questions regarding this position contact Dr. Robert Miess, Division Chair for Science and Mathematics by emailing robert.miess@mayvillestate.edu .
