Student Right to Know – Equity in Athletics

Mayville State has documented calculation rates of students who participate in intercollegiate athletes and determined the financial support provided to male and female teams for operating expenses and athletically related aid. The most recent report is summarized below for the 2010-11 school year. In the Fall of 2010 there were 291 full time male and 261 full time female students enrolled at MSU. The average institutional coaching salaries of head coaches for male sports was \$ 24,949 while head coaches of female sports averaged \$ 17,284. It is important to note that all head coaches had other duties at the institution. Therefore, average annual salaries per Full Time Equivalent (FTE) coach were \$42,770 for male sports and \$34,568 for female sports. Average coaching salaries of part time assistant coaches was \$4,779 for men’s sports and \$6,000 for women’s sports, while FTE salaries were \$24,719 for the men’s teams and \$24,490 for women’s teams.
