

# Elementary Education - LRSC

*B.S. Ed. - Bachelor of Science in Education*

Earn your bachelor of science degree in Elementary Education from Mayville State University on the campus of Lake Region State College in Devils Lake, ND. You can remain near home, work, and family while earning a four-year degree that will open doors to exciting career opportunities.

At Mayville State, we give you more of just about everything.

## *A Little More Personal*

We pride ourselves on being just the right size to give students the time and faculty interaction they deserve. We also have a full-time Distance Coordinator on the LRSC campus to serve as your advisor and help you with any questions you may have.

## *A Little More Flexible*

IVN classes are offered evenings for working adults. Fast-track summer classes allow you to focus and complete a course in a shorter time frame. And, online class options are available for many course requirements.

## *A Little More Success*

Earning your bachelors' degree will allow you to explore new teaching-focused career opportunities. You will be a part of Mayville State's 120-year history in teacher preparation.

## Accreditation & Framework

The Teacher Education Program at Mayville State University is accredited by the National Council for Accreditation of Teacher Education (NCATE). Our conceptual framework theme is The Reflective Experiential Teacher. The theme is based upon established learning concepts that students develop and demonstrate in their coursework, field experiences, and student teaching.

The program includes a student cohort system with two field experiences that integrate all program elements. Candidates are taught to use a variety of research-based instructional strategies as well as multiple performance-based assessment practices.

## Program Guidelines

- Students seeking admission to the Elementary Education program must successfully complete the Pre-Professional Skills Test (PPST) with scores that meet or exceed the ND State Requirements in Reading (173), Math (170), and Writing (173).

- Candidates must earn at least a 2.75 GPA for the overall average, general education requirements, and for each major and minor field of study.

## Diversity & Technology

Studies of multicultural and global perspectives are required in candidates' general, content, and professional coursework. Candidates must create an electronic portfolio showcasing their ability to demonstrate content, pedagogical, and professional knowledge.

# A Little More for your college experience

MSU's Bachelor of Science degree in Elementary Education consists of courses in general education, the major, and a required minor. Students without a previously earned degree also complete an information technology certificate.

Elementary Education majors can earn a minor in Early Childhood Education. Upon completion of five semester hours of student teaching, they will be credentialed to teach Grades K-6. Students seeking the Reading Credential must complete EDUC 351—Remedial Reading Practicum and EDUC 426—Reading in the Content Area.

Elementary Education majors must complete 36 hours of general education including COMM 110, ENGL 110, ENGL 120, GEOG 103, MATH 103, PSYC 111, SCNC 101 & 101L, SCNC 102 & SCNC102L, and a History course other than ND History.
