

FINAL EXAMINATION SCHEDULE FALL SEMESTER 2009

The normal examination schedule is a two hour block--any exceptions must be announced to the class.

All instructors who do not plan a final test will meet with their classes up to, and including, the day of the final test time as it appears on the schedule below.

One credit classes are not included on this schedule nor are classes using interactive video or online classes. For one credit classes, interactive video classes or online classes please check the class schedule, the course syllabus, email and/or class postings on Moodle.

Evening classes will be tested on the last class period prior to the exam schedule unless a specific time on the schedule is requested (contact the Registrar).

This official examination schedule will be followed strictly. No changes may be made by the instructor.

(Test on the "X" unless course is specified)
