**2008-2009 MSU Foundation
Annual Fund Drive & Phonathon**

What Is the Annual Fund Drive?

Gifts to the Mayville State University Annual Fund are undesignated and are used where the University's needs are the greatest. The state of North Dakota supplies only 37% of Mayville State's Fiscal Year 2008-2009 annual operating budget. Outside assistance is greatly needed.

Why Give to the Annual Fund?

Support from generous alumni and friends like you allows Mayville State University to help make academic dreams come true for many deserving students. Your gifts truly make a difference.

Gifts to Mayville State play a critical role in the lives of students and in the growth, maintenance, and improvement of MSU. Your donation to the annual fund is sincerely appreciated.

Our Goal

Our goal for this, the sixth Annual Fund Drive, is to raise \$65,000 in unrestricted dollars. Donations are tax deductible.

Timeline

The 2008-2009 MSU Annual Fund Drive has begun. If your gift is received before the phonathon portion of the Annual Fund Drive begins the end of January, you will not be called. Your time is valuable, and we respect that, so we're offering this opportunity for you to send your gift prior to receiving a call.

The MSU Foundation provides a variety of ways in which you may offer your support:

- **Gifts of Cash:** Gifts may be made by cash, check, Visa, MasterCard, or Discover Card.
- **Matching Gifts:** Many companies match their employees' donations to Mayville State. You may double and even triple the value of your gift. Please contact your employer's personnel department for more information.
- **Gifts of Appreciated Property:** You may be entitled to tax advantages with your gift of real estate and appreciated securities (stocks, bonds, mutual funds).

Your Participation Is Important!

We encourage you to join the Mayville State alumni and friends who have already pledged their support by sending your gift today! The percentage of alumni who contribute to their alma mater serves as a benchmark for measuring the strength of our institution. Foundations and various accrediting organizations use this number in determining their rankings. Make an impact! Let's work together to make the *\$65,000 goal* a reality, while increasing our rate of alumni participation.

In 2007-2008, 19% of Mayville State alumni made a financial contribution to their alma mater. This rate was up from 14% in 2002. Let's keep the momentum going! Make your contribution today!
