

MSU Foundation Honor Society

The MSU Foundation implemented a program of cumulative donor recognition in July of 2007. Donors are being recognized for their financial contributions to all projects at Mayville State, including academic scholarships, facility improvements, Comet Athletic Club, etc. Donors whose lifetime gifts to Mayville State University total \$10,000 or more become members of the MSU Foundation Honor Society. The first-ever Honor Society Recognition Dinner was held in January of 2008.

The second annual Honor Society Recognition Dinner will be held on January 10, 2009. Mayville State supporters whose lifetime financial contributions to the university reach \$10,000 or more by December 31, 2008 will be honored at this event.
