IMPACT
THE FUTURE

with your contribution to
scholarships for Mayville State students.

Support Academic Scholarships

Make a difference. With your contribution to scholarships at Mayville State, you'll be impacting the lives of deserving students who are in pursuit of their academic goals. These are students who will graduate from Mayville State and go out to make an impact in the world.

Enrollment. Increasing enrollment is key to Mayville State's future success, and scholarship dollars have a direct impact on attracting students to Mayville State.

Quality students. Enrolling quality students is important to Mayville State's future, and the ability to offer scholarships for academic achievement is critical to attracting and retaining those students.

Private funding is crucial. Many worthy Mayville State University students are being rewarded for their academic performance and are receiving assistance with their college expenses. More than \$200,000 will be needed to support scholarships for new students and renewals for continuing students for the next school year. This will not be possible without the financial support of Mayville State alumni and friends.

Meet Miriam Devere

Mayville State junior from Bloomington, Minn.

Mayville State is a land of opportunity. I've been able to do many things I wouldn't be able to do on a larger campus. MSU is a big family, and there is always a helping hand when you need one. The professors are amazing, and they really know their students. You aren't just a number at Mayville State, you are a student, a friend, a classmate, a volunteer. At Mayville State University, I've learned to be a leader and grown in life experience. I've learned many skills that I will take with me into my professional career.

Miriam is a mathematics majors and recipient of the Presidential Scholarship.

Mayville State University Foundation 2008-2009 Scholarship Fund Drive

Yes, I'd like to make an impact at Mayville State!
