Advising

Incoming freshmen will be advised by their Seminar on Success (SOS) first year experience course instructor for their first year at Mayville State. Upper-class students should be assigned to faculty members in their declared major. Students have the opportunity to develop a close personal relationship with faculty members who serve as their advisors. Advisors are available to assist with career decisions and personal adjustment concerns, in addition to planning class schedules and assisting with the registration process.

Current students who wish to change majors and/or advisors would discuss their interests with their current advisor and complete the Program Update Form and submit it via e-mail or in person to their current advisor. Following advisor approval and completion of the Program Update form, it would then forwarded via e-mail or in person to the Division Chair for assignment of new advisor. After the Division Chair makes an advisor assignment and completes Part C of form, it is sent via e-mail or as printed copy to the Academic Records Office for final processing. An Academic Requirement Report degree audit is available via the Office of Academic Records Student Resources page.

Students who express indecision about choice of major would be referred to Kristi Lentz for Career Counseling.

International students must carry an academic load of at least 12 semester hours during each term of attendance in order to remain in good standing with the United States Immigration Service unless excused from this requirement by the Director of Academic Records.

U.S. Immigration law does not allow international students to work off-campus without permission by the immigration service.

**Canadian Information**
If you are a Canadian student you need to be aware of some important information about U.S. Immigration regulations regarding International Students.
To re-enter the United States after a temporary absence, you must carry your I-94 (arrival & departure record), your I-20 ID and a properly endorsed page 4 of your I-20. Additional information is available at the Office of Academic Records (Main 114).

If you fly from Canada, sometimes the flight crew is unfamiliar with the current Customs regulations. There are some important facts you need to know.

1. Never surrender your Student Visa to anyone who is not an Immigration Official.
2. When traveling across the border, always have in your possession your Student Visa and your official school form confirming your attendance at Mayville State University.

It is also important for you to know that U.S. Immigration will often and without notice change its policy regarding International Students. Keep abreast of any policy change, as it is vital that you have the proper forms while attending a U.S. school.

Cancellation of Classes
When it becomes necessary to make announcements about the status of classes and other University functions due to winter storms or other related situations we will use Notifynd and area media sources. You should listen to the following media sources for information:

- KMAV Radio – 105.5 FM
- KFGO Radio – 790 AM
- KVLY – TV
- WDAZ/WDAY – TV
- KXJB – TV

The Notifynd system will be used to make such announcements via e-mail mail and text messages.

If you are a commuting student, faculty or staff member we would encourage you to call the university if you have not heard weather announcements and are questioning the condition of roads and travel conditions. In all situations we would encourage that you use your best judgment if you must travel in questionable weather or road conditions.

You may also call the North Dakota Department of Transportation phone line at 511 or 1-866-696-3511 for road condition and weather information. If you decide that it is best for you not to travel from out of town to classes, we would suggest that you use e-mail or leave a voicemail for your instructors.

JOBS ON CAMPUS and HOW TO APPLY
Applying for campus jobs in the first 2 weeks of the fall semester is recommended ... if you wait, jobs may already be filled!

How to FIND:
ALL available campus jobs are posted on the Mayville State Jobs Network website.
1. Go to www.mayvillestate.edu/careers
2. Click on the student Mayville State Jobs Network link.
   a. New user: "Click Here for a User Guide" and scroll down to the "First time users" link. Follow the instructions to register and create your personal profile. Once registered, go to the Jobs menu and search the campus jobs.

How to APPLY:
Thoroughly read each job description and application instructions. Apply with the Campus Job Application form (see "Resource Library" in left panel of the Jobs Network, or the Career Services site in the 'Student Portal’ of the campus website). Complete the form on your computer, save, print copies for each department you apply to. It’s ok to apply to more than one position.

NOTE: Some (not all) campus jobs can only be filled by students who have “Work Study” as part of their Financial Aid Award. Not sure of your award? Ask Financial Aid staff (Office in Main Building 106). Having a “Work Study” Award means you have 'priority' for a campus job, and will earn the Award by working part-time on campus. *If you decide NOT to use the Work Study portion of your award, you MUST contact the Financial Aid Office immediately! If your Financial Aid Award does NOT include “Work Study”, you can still apply for many campus jobs.

JOBS OFF CAMPUS in the COMMUNITY
How to FIND:
1) First, check the Mayville State Jobs Network (see section above).
2) Some local employers may have a job, but don’t post them, so we encourage you to be pro-active and personally contact them. POLICY REGARDING STUDENT SUMMER EMPLOYMENT: To be eligible for summer employment on the campus, a student must have been enrolled during the past academic year at Mayville State and must be registered for the following Fall semester. New students may begin employment in the summer if they are registered for Fall Semester. When a student plans to transfer from Mayville State before Fall Semester, they will not be offered a summer position.
INTERNATIONAL STUDENTS SEEKING JOBS: U.S. Immigration law does not allow international students to work off-campus without permission by the immigration service. Emergency Storm Evacuation Procedures and Shelter In-Place

For safety of our students, please adhere to the following evacuation procedures in the event of an emergency (i.e. tornado, etc.).

Shelter In-Place: All Areas

When faced with severe weather conditions such as tornados, designated areas within campus buildings or residence halls provide protection from the effects of high winds and flying debris. Moving personnel to these protected interior areas is referred to "shelter in-place.” Generally, these areas are: away from windows, away from glass doors, interior rooms (or closets) without windows, and are at the lowest possible level within the structure. When notified by Residence Life staff or other authority to shelter in-place, seek shelter immediately within the nearest building and await further instruction regarding the pending danger. Do not venture out to determine if the tornado conditions have subsided—designated staff will alert you that conditions have improved or are all clear.

Residence Hall Procedures for Tornado Warnings

For the safety of our students, please adhere to the following procedures in the event of an emergency (i.e. tornado) that requires shelter.

During Fall and Spring Semesters

MAYVILLE STATE UNIVERSITY students residing on campus should utilize the following designated storm shelters in the event a serious storm or tornado warning is issued for our immediate area:

1. AGASSIZ HALL – Basement of Agassiz Hall
2. BERG HALL – Basement of Agassiz Hall or inside hallways of Berg Hall
3. BIRKELO HALL – Basement of Agassiz Hall or stairwell of Birkelo Hall
4. MARRIED/FAMILY HOUSING UNITS – Basement of Agassiz Hall

During Summer Months

Basement of Agassiz Hall

Alternate plans should be made in advance for precautionary purposes in the event Agassiz Hall is closed.

During Summer Basketball Camps

During the weeks when summer basketball camps are conducted, on campus residents may utilize the basement of Agassiz Hall as a storm shelter or as directed above for specific residence halls.

Fire and Fire Alarm Procedure

A fire emergency exists whenever:

1. A building fire evacuation alarm is sounding
2. An uncontrolled fire or imminent fire hazard occurs in any building or area of the campus
3. There is the presence of smoke or the odor of burning
4. There is spontaneous or abnormal heating of any material, an uncontrolled release or combustible or toxic gas or other material or a flammable liquid spill

Evacuation Procedures

Campus buildings shall be evacuated whenever the building evacuation alarm is sounding.

1. When it is determined that a fire emergency exists, the following actions are to be taken.
   a. **SOUND AN ALARM.** Activate the building fire alarm in buildings equipped with a manual fire alarm system. Shout a warning and knock on doors as you evacuate in building not equipped with a fire alarm.
   b. **LEAVE THE BUILDING AT ONCE.**
   c. **CLOSE DOOR BEHIND YOU AS YOU EXIT.**
   d. **CALL THE FIRE DEPARTMENT FROM A SAFE PLACE.**
      Dial 9-911 or 911

      (1) When the emergency operator answers, ask for the fire department and give as much specific information as possible. State that you are calling from MSU and include the proper name of the building and room number, floor or other specific area.
(2) Do not hang up until released by the dispatcher.

e. MEET THE FIRE DEPARTMENT OUTSIDE AND DIRECT THEM TO THE EMERGENCY.

f. ALL FIRE ALARMS, EVEN IF SUSPECTED TO BE FALSE OR ACCIDENTAL SHOULD BE REPORTED.

2. The evacuation procedures shall be as follows:
a. It shall be the responsibility of every person to immediately leave a University building whenever the fire alarm is activated or a fire emergency exists. All students, faculty and staff are required to leave the building and remain outside until the emergency is over. No one shall restrict or impede the evacuation. Mobility impaired persons are directed to the nearest stairway and are to wait to receive assistance from a “good Samaritan” or emergency personnel. If hearing or visually impaired persons need assistance, occupants may choose to render aid. If individuals are unable to assist others, then they should exit the building and provide information to emergency responders about the location of others still in the building.
b. If you are in a room with the door closed, feel the door/doorknob prior to opening the door to determine if the fire is on the other side of the door. If there is heat, seek another exit or signal from a window. Use a towel, sheet, cloth or anything that will signal that you are in the room. If you are trapped in a room, use the phone to call for help.
c. University Personnel will disseminate fire safety instructions annually and conduct fire exit drills annually.

Emergency Notification System
Mayville State University has an emergency notification system (ENS). This system allows the campus to contact students rapidly during an emergency. The emergency notification system is populated with contact information from students. The information contained in the ENS will be used by the authorized campus administrators to contact the above population in the event of a qualifying emergency.

Students will have the ability to add and update their information in the Connect ND portal. The portal will allow students to enter campus phone, cell phone, email, texting information and home phone. The system will periodically remind students to review their information. In addition, students have the option to receive emergency notifications from other campuses depending on their class location. Students can "opt-out" of the emergency notification system in the Connect ND portal.

The full policy can be seen on the Mayville State home page by going to: About Mayville State/Policies and Reports/University Policy Manual/ M1902

Enrollment Services
Enrollment Services manages the university’s recruitment of students to Mayville State. ES staff visit high schools, community colleges and travel to career fairs. On-campus guests are hosted by Enrollment Services, who organize campus tours and meetings with appropriate staff, faculty and coaches. The Office of Enrollment Services hosts open houses on campus for prospective students and staff is generally available to visit people interested in MSU during campus events. The Student Ambassadors, who provide most campus tours and do community outreach, are advised by ES staff. Scholarships for incoming and current students are awarded through Enrollment Services. Mayville State promotional materials, such as brochures, the view book and television commercials and print ads, are created in conjunction with Enrollment Services.

Outreach Services, a part of the Enrollment Services team, provides other opportunities to other constituents they serve. Articulation agreements are on going and constantly being drawn up with two-year colleges in North Dakota, Minnesota, Washington and Arizona. Dual credit for high school juniors and seniors is offered through MSU with many benefits to the high school student.
For additional information, stop by Main 107 or call 701-788-4842.

Financial Aid
The Financial Aid Office, in Main 106, assists students with processing their financial aid applications. Most student financial aid is based on need, achievement, special talent and promise of success in college. Students receive aid from institutional, state and/or federal funds through grants and scholarships, federal work-study and educational loans. Each student seeking state and federal financial aid must submit annually a free application
for Federal Student Aid (FAFSA). The results of the FAFSA analysis are the determining factors in financial aid eligibility. **While financial aid may be applied for throughout the academic year, priority will be given to students who have their FAFSA results submitted to MSU by March 15 of each year.** Students must maintain satisfactory progress to receive continued financial aid funding. **SPECIAL NOTE:** Scholarship applications must be filed with the Financial Aid Office by **February 15.**

**Fine Arts**

The Mayville State University and Community Fine Arts Series is committed to bringing some of the world's finest performers to the campus. A cursory glance at the list of performers from the past ten seasons confirms that commitment.

All performances are scheduled to begin at 7:30 pm. The performances are free of charge for MSU students. Following each performance there will be a reception for the performers in the Levon West Art Gallery hallway. Please plan to attend each event on the Fine Arts schedule!

**Food Service**

Students living in University residence halls are required to make a contractual agreement with the University for Board. Seven-day meal plans are provided for all students. All contracts are considered legal and binding and no changes to the board plan will be accepted after the second week of the semester. Board changes should be made **3 weeks** prior to the end of the preceding semester. **Board contracts do not include University vacation periods when school is not in session.** Board contract options are as follows:

- 5 meal (Upper class Students Only, Includes $50 Flex)
- 10 meal (includes $200 flex)
- 14 meal (includes $200 flex)
- Café Comet ($500 to be used in cafeteria or Snack Bar) (Upper class students only)

All meal plans run for the length of the semester!

All meals are served in the Campus Center Dining Room and Snack Bar according to the schedule by MSU Dining Services posted outside each area. Policies: The food service provides sack lunches to those who cannot eat during regular serving hours. This holds only for cases of class or work conflicts. The student must present the food service director either their class schedule or verification from their employer as to their work schedule. Sick tray service is provided but will only be issued with proper authorization from the Resident Director, University nurse or local doctor. **All students on a Meal Plan must present Student ID for admittance in Dining Room. If forgotten, students will be asked to go get their ID.** Students found to be stealing meals or contributing to the like will be faced with the following sanctions: 1st offense - $50.00 fine plus restitution, 2nd offense - $100.00 fine, loss of privileges, restitution and referral to Director of Student Life. Questions regarding Food Service should be forwarded to the Food Service Director (office in Campus Center Dining Room).

Food Service customers are expected to conduct themselves properly in the Dining Facilities. Food fights or leaving trays and a mess on the table causes an unpleasant environment for all boarders and will not be tolerated. A $25 fine will be assessed for the first offense. A second offense will result in another $25 plus disciplinary action. **Any person identified as not properly presenting their ID to the cashier, not paying cash for a meal they are eating, using someone else’s ID or assisting someone in entering the Dining Area with out paying will be assessed a monetary fine.**

The fine structure is as follows: 1st offense $50.00 fine plus restitution; 2nd offense $100.00 fine, restitution, loss of privileges (to include denied access to the campus center dining facilities) and referral to the Director of Student Life.

**Harassment**

Menacing: Menacing is knowingly frightening or attempting to frighten another person through threats of imminent and serious harm.
**Terrorizing:** Terrorizing means to threaten to commit an act of violence and/or to threaten to commit an act that would endanger another person’s life.

**Stalking:** To “stalk” means to intentionally with no legitimate purpose, repeatedly (more than one time) behave in a way that would cause a person to experience fear, intimidation or harassment, or to be the object of repeated unwanted attention. Stalking behavior includes, but is not limited to, such actions as: following, loitering near, telephoning or e-mailing another person with the intent to annoy, harass, alarm, distress or intimidate that person or his/her immediate family.

**Hazing**
Hazing is defined as any action taken or situation created intentionally to produce psychological or physical discomfort, embarrassment or ridicule. It is assumed that all students, student groups, faculty and staff are interested in intellectual and social development of individual members. Therefore, in activities no action will be taken which stands to endanger the health of the individual, demand of him or her undignified conduct, jeopardize his or her scholastic standing or general well being. For these reasons, all forms of hazing on the part of any student/student groups—whether on or off University property are expressly prohibited.

**Health and Wellness Services**
The University provides a service to assist students with routine medical problems. Office hours are posted in Berg Hall. {NOTE: After hours and/or weekend emergency situations should be referred to your Resident Director and/or the local hospital or clinic}

Students may obtain consultations, care for minor ailments and various other wellness related services. Students are entitled to 1 free office call (for illness only), at the Sanford Health - Mayville each year. An authorization slip must be presented at the time of the clinic visit. If a student is sick, he or she must notify the Student Services office or the Health and Wellness office so instructors may be notified. (In case of serious illness, parents are notified.)

The cost of doctors, prescriptions, x-rays or laboratory work is paid for by the student, if they are not covered by personal insurance. ALL STUDENTS are encouraged to carry health insurance if they are not covered by parental policies. A low cost health insurance policy for students who do not have other coverage is available through a local company. Contact the Student Services Office in Main 107 for more information.

**REMEMBER:** Student athletes are required to take a physical exam prior to involvement in their specific sport. Also, all students are required by state law to show proof of two measles-mumps-rubella immunizations upon registering for classes. International students from certain foreign countries are also required to provide proof of testing for Tuberculosis. New students residing in residence halls are also required to provide proof of immunization against meningitis.

A North Dakota University System Help Desk provides additional phone support for approximately 16 hours per day, seven days per week, except holidays.

**Housing**
Any student is welcome to reside in the institution’s residence halls, regardless of their age or class status. All freshmen and sophomore level students who are less than 21 years of age are required to live on campus in an approved residence hall. Students who live in the residence halls are required to take part in an approved Board plan.

The following categories of students are exempt from the above requirement, but they must complete an off-campus residence form for directory and emergency notification purposes and provide appropriate documentation (as indicated below), if requested.
1. Students who have at least 60 earned semester or 92 earned quarter credits. Documentation: A transcript indicating the number of earned credits.
2. Students who are 21 years of age at the beginning of the appropriate term of enrollment. Documentation: Verification of date of birth by a driver’s license or other document.

6. Freshmen and sophomore students who are living at home with their parents or legal guardian. This is the only exemption allowed for students in their first two years of enrollment unless they meet an exemption outlined in 1 – 5 above. Documentation: Parents of freshmen and sophomore students should contact the Director of Housing by phone or in person to verify that their son or daughter will reside at home.

Under no circumstances should students acquire off-campus housing without first securing permission from the Director of Student Life. The Student Life Office will ascertain the residency status of each student and request documentation to verify a student’s eligibility to live off campus. Students who meet the above exemption conditions must first provide the necessary documentation before assuming an off-campus residence. Students who wish to seek an exemption from this on-campus housing policy should first contact the Director of Student Life. The office of the Director of Student Life is located in Campus Center 103. Additional exemptions may be authorized by the Director of Student Life based on guidelines established by the Residence Life Sub-committee, including students with specific medical or health conditions and students who will be become 21 years of age during the term.

Students who are found to be in violation of the MSU Housing policy will be subject to fines and/or room charges. Students who do not qualify for an exemption to this policy may appeal to the Residence Life Sub-committee.

Identification
Identification cards are made each year for every new full-time student enrolled at Mayville State. The photo ID serves as the student’s admission to all university sponsored events as well as a control card for use of library resources, laptop computers and Food Service. Requests for further information and/or what to do about lost ID cards should be directed to the Student Services Office, Main 107. There is a charge of $5 for printing a new ID card. The identification card must be presented when requested by university officials. The identification card must be validated every year and becomes void upon termination of enrollment or graduation.

A. In order to protect the safety and welfare of students and employees of the University and to protect the property of the University, all persons on property under the jurisdiction of the University shall identify themselves to an institutional representative who has identified himself/herself. A person identifies himself/herself by giving his/her name and complete address and stating truthfully his/her relationship to the University. A person may be asked to present some form of identification.

B. If any person refuses or fails upon request to present evidence of his/her identification and it reasonably appears that the person has no legitimate reason to be on the campus or in the facility, the person may be ejected from the campus or facility. In addition, if the person is a student he/she may be subject to disciplinary actions.
Internships - See Career Services & Internships

Intramurals
MSU's intramural-recreational sports program enriches student life by offering a broad range of activities designed to meet the needs of the campus community. The wholesome competition provided by intramurals allows students to develop sport skills and improve physical fitness.

In order to participate in intramural athletics, an individual must be a MSU student, faculty or staff member. Students who participate on an intercollegiate athletic team may not compete in their same intramural sport. For more information on intramurals, call the Athletics Office located in the Lewy Lee Field House at 788-4834.

Job Shadowing - See Career Services & Internships

Jobs (on Campus & off Campus)
The faculty and staff at MSU recognize that student’s academic and extra-curricular activities take precedence in their daily schedule. However, we also offer on-campus work opportunities for those students who may wish to combine work with study. Work is scheduled around classes and coordinated by the immediate supervisor. Opportunities usually exist in offices, help desk, custodial, athletics, campus pool, science labs, etc. All campus student employment is coordinated by the staff of Career Services.

Most on-campus jobs are offered to students who have qualified for work study as part of their financial aid award. (NOTE: Students who are eligible for Work Study and decline it are not eligible to work on campus) Students with work study will have until the end of the first week of classes to apply for jobs. After that, jobs will be advertised to all students.

ALL jobs (work study, non-work study, area part-time jobs, internships, and so on) are posted on the MSU Jobs Network (see link at www.mayvillestate.edu/careers). *Local jobs will be listed under “Mayville State University” or “May-Port Area Jobs” and classified as on-campus or part-time jobs. Any student seeking work (now or in the near future) should register on this site and view the job descriptions.

POLICY REGARDING STUDENT SUMMER EMPLOYMENT: To be eligible for summer employment on the campus, a student must have been enrolled during the past academic year at Mayville State and must be registered for the following Fall Semester. New students may begin employment in the summer if they are registered for Fall Semester. When a student plans to transfer from Mayville State before Fall Semester, they will not be offered a summer position.

International Students Seeking Jobs U.S. Immigration law does not allow international students to work off-campus without permission by the immigration service. For all jobs-related questions, international students should speak to Pamela Braaten, PDSO, in the Office of Academic Records, or contact the staff in Career Services & Internships.

Any student, seeking any job, should first register on the MSU Jobs Network, then contact the Career Services staff. Students who have questions regarding any type of student employment should contact the staff in Career Services in Classroom Building 115 or call 701-788-4899.

Learning Management System
All MSU classes use a LMS (Learning Management System) to enhance student learning. The LMS includes tools for syllabi, course handouts, announcements, group and private discussions, test administration, Internet links, and delivery of course content. The typical classroom course uses one or more of the tools, while totally online classes use most of the available tools. MSU’s current LMS is ‘Moodle.’

Library
Your student ID serves as your library card, not only to Byrnes-Quanbeck Library, but also to many of the other North Dakota libraries that belong to ODIN. Sometimes you might need something the Library does not own. No problem—you can borrow that item through Interlibrary Loan, a free service.

Mayville State University considers the university’s e-mail system an official means of communication. It is recommended that students frequently access their assigned University e-mail accounts for official information. Mayville State University considers the university’s e-mail system, e.g. employees or student’s username@mayvillestate.edu (the MSU e-mail naming convention) along with the United States Postal Service, an official means of communication. The university will consider employees and students to be duly informed and in receipt of notifications and correspondences sent by an college administrator, staff, or faculty delivered to an employee’s or a student's university e-mail account. It is recommended that employees and students frequently access their university assigned e-mail account for official information. Individuals may choose to have their @mayvillestate.edu e-mail account forwarded to an off campus account. Such individuals, however, are
responsible for managing their disk quota such that there is room for new mail to arrive and for forwarding their Mayville State University e-mail account to a functioning alternative e-mail address. The University is not responsible for delivery problems to non-official e-mail accounts.

Parking
Students may park their vehicles in all university parking lots except behind the Main Building, the Child Development Center and/or areas specifically posted (i.e. handicapped, employee parking, etc.). No overnight parking is allowed in the Campus Center Parking lot. Sexual Violence/Misconduct Policy
I. INTRODUCTION: Mayville State University strives to create a campus community free from interpersonal abuse including sexual misconduct. In working to achieve this intent, Mayville State commits to:
   a. Taking action to stop sexual misconduct;
   b. Taking action to remedy its effects by providing advocacy, support and appropriate referral services for recipients of the behavior;
   c. Taking action to prevent recurrences;
   d. Educating individuals and promoting discussions on interpersonal abuse and violence; and
   e. Conducting impartial investigation of all reports/notices of sexual misconduct through fair, equitable and prompt procedures. Investigations will be independent of and separate from law enforcement investigations of criminal activity.

II. POLICY: This policy is required by federal law and implementation of this policy is guided by the U.S. Department of Education, Office of Civil Rights.
   a. In accordance with Title IX, Mayville State University does not discriminate on the basis of sex in Mayville State’s educational program and activities.
   b. Sexual misconduct is prohibited in all forms, regardless of intent to harm. Sexual assault, sexual exploitation, coercion and sexual harassment are examples of sexual misconduct, and all are prohibited.
   c. Also prohibited under Title IX is any rule violated on the basis of the recipient of the behavior’s sex/gender which is severe enough to cause discriminatory effect. (Examples of this may include but are not limited to bullying, cyber-bullying, relationship violence, and stalking.)

III. DEFINITIONS: For the purpose of this policy, the following definitions apply:
   a. Consent is:
      1. Words or actions showing a clear, knowing and voluntary agreement to engage in mutually agreed upon sexual act; or
      2. An affirmative decision given by clear actions or words.
      3. Consent may not be inferred from:
         i. Silence, passivity, or lack of active resistance alone.
         ii. A current or previous dating or sexual relationship.
NOTE: It is important to obtain explicit consent from any sexual partner and not to make assumptions. If confusion or ambiguity on the issue of consent arises anytime during the sexual interaction, it is essential that each participant stops and clarifies, verbally, willingness to continue. Consent to one form of sexual act does not imply consent to other forms of sexual act(s).

b. Coercion is unreasonable pressure for sexual activity. Coercive behavior differs from seductive behavior based on the type of pressure someone uses to get consent from another. When someone makes clear to you that they do not want sex, that they want to stop, or that they do not want to go past a certain point of sexual interaction, continued pressure beyond that point can be coercive.

c. Incapacitation is a state where someone cannot make rational, reasonable decisions because they lack the capacity to give knowing consent (e.g., to understand the "who, what, when, where, why, or how" of their sexual interaction).

d. Intimidation is implied threats or acts that cause an unreasonable fear of harm in another.

e. Responsible employees:
   1. Those with authority to address and remedy sex and gender-based discrimination and harassment;
   2. Those with responsibility to report sexual misconduct to a supervisor, and/or
   3. Those who a student would reasonably believe to have such authority or obligation.

f. Retaliation: Any adverse action taken against a person because of their participation in a protected activity. Retaliation against an individual for allegation sexual misconduct, supporting a complainant or for assisting in providing information relevant to a claim of sexual misconduct will be treated as another possible instance of harassment or discrimination. Any acts of alleged retaliation should be reported immediately to the Title IX Coordinator and will be promptly investigated. Mayville State University is prepared to take appropriate steps to protect individuals who fear that they may have been subjected to retaliation.

g. Sexual Acts include, but are not limited to the following actions:
   1. Sexual intercourse;
   2. Sodomy (oral and/or anal);
   3. Sexual penetration with any object;
   4. Sexual touching of a person's intimate parts (genitalia, groin, breasts, buttocks, mouth or other bodily orifice or the clothing covering them); or
   5. Compelling a person to touch his or her own or another person's intimate parts.

h. Sexual Assault: Any sexual act between two or more people to which one person does not or cannot consent. This includes sexual acts or contacts with others that can involve:
   1. Compelling a person to submit to sexual acts or contacts by force, threat of force, or intimidation;
   2. Use of intoxicants to substantially impair the person's power to give consent;
   3. Engaging in such acts when the person suffers from a mental state that renders him or her incapable of understanding the nature of the contact. This includes, but is not limited to, situations when an individual is intoxicated, "high", scared, physically or psychologically pressured or forced, passed out, unconscious, intimidated, coerced, mentally or physically impaired, beaten, isolated, or confined; or
   4. A victim under fifteen (15) years of age. (Do note the age of consent may vary depending on the ages of the individuals involved in the act.

i. Sexual Exploitation: Taking sexual advantage of another person without consent. Examples include but are not limited to:
   1. Causing the incapacitation of another in order to take sexual advantage of the person;
2. Distributing or publishing sexual information;
3. Engaging in indecent exposure;
4. Engaging in voyeurism (the viewing of another for sexual gratification);
5. Invasion of sexual privacy;
6. Knowingly exposing another to an STD or HIV;
7. Prostitutioning another person; or
8. Recording, photographing, or relaying sexual sounds or images.

j. Sexual Harassment: Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when:
   1. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment or academic achievement;
   2. Submission to or rejection of such conduct by an individual is used as the basis for employment decisions or academic decisions affecting such individual; or
   3. Such conduct has the effect of unreasonably interfering with an individual’s work or academic performance or creating an intimidation, hostile, or offensive environment.

k. Sexual Misconduct: Any non-consensual behavior of a sexual nature that is committed by force, intimidation, or is otherwise unwelcome that is sufficiently severe, persistent, or pervasive so as to limit a student’s ability to participate in or benefit from a Mayville State program or activity. Depending on the circumstances, a single incident of sexual misconduct may be sufficient to limit a student’s ability to participate in or benefit from a Mayville State program or activity.

l. Complainant: The individual who lodges or files a complaint of alleged sexual misconduct.

m. Respondent: The individual who has been identified by the complainant as having committed actions of sexual misconduct.

IV. REPORTING/CONFIDENTIALITY: Students are encouraged to report incidents or information related to sexual misconduct as soon as possible. If criminal activity is involved, students are encouraged to contact the Traill County Sheriff's Department. Mayville State University employees who became aware of a complaint or violation of this policy and have the authority to take action on the complaint or violation, shall report the complaint or violation to the Title IX Coordinator:

   Noah Fischer
   Human Resources Officer
   Main 110B
   701-788-4647
   Noah.fischer@mayvillestate.edu

The guiding principle in accepting reports or sexual misconduct is to avoid re-victimizing the recipient of the behavior by forcing them into any plan of action. Mayville State University will make every attempt to safeguard the privacy of the complainant and/or recipient of the behavior; however, it is important that complainants recognize that Mayville State cannot ensure confidentiality in all cases. Mayville State must weigh the request for confidentiality against its obligation to protect the safety and security of the entire campus. Depending on the circumstances of the offense (the severity of the offense, the number of victims involved, etc.), Mayville State may be required to respond to an incident, even if confidentiality has been requested. Therefore, Mayville State University employees cannot guarantee absolute confidentiality. Individuals desiring confidentiality should be encouraged to contact one of the following:

   F-M Rape & Abuse Crisis Line: 800-344-7273 (Available 24 hours) www.raccfm.com
   F-M Rape & Abuse Crisis Center: 701-283-7273 or e-mail at: info@raccfm.com
   Kristi Lentz, Mayville State Counselor: 701-788-4772
   Sanford Hospital – Mayville: 701-788-3800
V. FORMAL/INFORMAL RESOLUTION: Mayville State University offers both formal and informal resolution of sexual misconduct complaints involving Mayville State students, faculty or staff. Regardless of the path chosen by the recipient of the behavior, Mayville State will conduct an impartial, fair, and prompt investigation into the allegations, and ensure that actions will be taken to prevent similar actions in the future. Typically, investigation/resolution of the complaint will occur within 60 days. The sexual orientation and/or gender identity of individuals engaging in sexual activity is not relevant to allegations under this policy. Investigation/resolution of the allegations shall include:

a. The complainant and the respondent having equal opportunities to present relevant witnesses and other evidence;

b. Providing both sides with similar and timely access to any information that will be used during the process;

c. Equal opportunity to have a support person or advisor present, and equal restrictions on how a support person or advisor may participate during the process;

d. The right of the complainant and the respondent to be informed of the outcome of the investigation/resolution, and the right of either party to appeal; and

e. The right of the complainant and the respondent to receive periodic status updates throughout the investigation/resolution process.

VI. FORMAL RESOLUTION: Formal resolution of sexual misconduct reports will be resolved as follows:

a. If the respondent is a student, the University will follow the following procedures

1) The Title IX Coordinator receives a report of alleged sexual misconduct from a student, faculty or staff member.

2) Based on this report, the Title IX Coordinator, or designee, meets with the complainant to discuss the report of sexual misconduct.

3) Based on this interview with the complainant, the Title IX Coordinator makes a determination if the complainant wants a formal or informal resolution. If the complainant requests a formal resolution, investigators will be assigned to the case by the Title IX Coordinator.

4) The assigned investigators will interview complainants, identified respondents and any other witnesses or individuals with direct information about the case. They will also gather other pertinent information related to the respondent; i.e. previous sexual misconduct cases, previous disciplinary cases, and/or legal or civil actions (if available to the investigators).

5) The investigators may review preliminary report findings with the complainant, the respondent and the Title IX Coordinator to clarify or add details, but may not change or delete any reported content.

6) Upon completion of the formal investigation, the results of the report are presented to the Title IX Coordinator to determine if responsibility for actions lie with the respondent(s) and to determine appropriate adjudication.

7) The Title IX Coordinator may take the following actions:

a. Determine that there is insufficient evidence, as verified by the formal investigation, to support a violation of sexual misconduct standards and dismiss the charges against the respondent.

b. Determine that there is sufficient evidence based on the formal investigation, to support a violation of sexual misconduct standards and determine appropriate sanctions. The Title IX Coordinator shall consult with the VPSA to determine appropriate sanctions and to ensure implementation and compliance with those sanctions.

8) If the Title IX Coordinator determines that a violation of sexual misconduct
standards has occurred and assigned a corresponding sanction, the respondent or complainant may request an appeal to the Title IX Panel, but only if new evidence that may affect the findings is brought forward. This Panel will consist of members of the Title IX Advisory Committee who do not have an inherent interest or involvement in the specific case. The VPSA will chair this panel as a non-voting member, and convene members for a formal review or appeal by the respondent or complainant. This Title IX Panel will rule on the new or revised findings related to the specific case and/or appropriateness of the sanctions and may/may not recommend alternative sanctions. The decisions of the Title IX Panel shall be considered final. The Panel shall follow guidelines for such appeals as are defined in the Student Code Of Conduct for other disciplinary violations. These provisions require that within three (3) days of receiving the respondent’s or complainant’s desire to appeal the decision under question, the VPSA will schedule an appeal of the Title IX Panel and notify all parties of the time and location of such meeting.

9) The rules relevant to hearings and proceedings involving students who are respondents in actions involving violations of the sexual misconduct policy include:
   a) The complainant student may choose to give testimony in the presence of the respondent student and the Title IX Coordinator or the complainant student may choose to give testimony in private session, which testimony shall be shared with the respondent student.
   b) Information regarding the complainant student’s and respondent student’s past sexual history will not be allowed at the hearing except as it pertained specifically to each other.
   c) The Title IX Coordinator may consider the results of any police investigation pertaining specifically to the case.
   d) In case of finding guilt, and prior to sanction deliberations, the Title IX Coordinator may consider information pertaining to prior criminal convictions or findings of guilt in other University conduct proceedings.
   e) The complainant student and the respondent student are entitled to have advisors or legal counsel present during interviews, investigations and other proceedings.
   f) The complainant student and the respondent student shall be informed of the outcome of Title IX proceedings.

b. If the alleged respondent is a Mayville State University employee, the University will follow the applicable policy for the circumstances; e.g. Policy M612 –Equal Opportunity Grievance Procedures.

c. All sexual misconduct cases shall use a “preponderance of the evidence” standard; meaning that in order for the accused to be held responsible, the hearing officer must determine that it is more likely than not that the sexual misconduct occurred.

VII. INFORMAL RESOLUTION: Except in cases of sexual assault which always require a formal resolution, complainants may choose to pursue informal resolution of their complaint. Informal resolution is entirely voluntary and the complainant may end informal resolution at any time. Complainants should never attempt to resolve the complaint directly with the accused. In cases of informal resolution, the Title IX Coordinator shall assign a school official with the authority to remedy the alleged violation (e.g. Vice President for Student Affairs, the alleged respondent’s supervisor, etc.) to oversee the informal resolution process. Informal resolution provides the complainant with a forum to confront the accused; to express how the alleged behavior has impacted them and those close to them; and to communicate to the respondent and to Mayville State University how this behavior needs to be addressed so that they, or anyone else at the institution are not victimized again by the behavior.
   a. In cases where the respondent acknowledges their involvement in the sexual misconduct,
the school official shall impose an appropriate sanction for the misconduct. If the sanction is agreeable to the parties, the informal resolution is complete, and the sanction is imposed. No appeal is allowed.

b. In cases where the respondent does not acknowledge responsibility, the school official may impose a sanction warranted by the information gathered during the informal resolution, and any supporting information known to the university. The sanction may be appealed to the Title IX Coordinator, who shall have the final decision on the appropriate sanction.

VIII. ANONYMOUS COMPLAINTS: Anonymous complaints will be accepted by the University. The university’s ability to investigate and resolve anonymous complaints will be limited if the information contained in the anonymous complaint cannot be verified by independent facts. Anonymous complaints may be filed by any of the following means:
   a. Completion of an Anonymous Sexual Misconduct Reporting Form
   b. A written document that is e-mailed, delivered in person or sent via campus or US Mail to the Title IX Coordinator and that includes similar information as that requested in the formal report form.

IX. INTERIM MEASURES: When warranted by the circumstances surrounding a complaint of sexual misconduct, the university may implement interim measures until its investigation concludes. Violation of these interim measures may be considered grounds for additional complaints of sexual misconduct or as retaliation for the ongoing investigation of sexual misconduct. Potential interim remedies include, but are not limited to:
   a. Providing an escort to the complainant so that he/she may move safely on campus.
   b. Issuing a no contact order to the parties, prohibiting any contact between them.
   c. Moving the complainant and/or respondent to different on campus housing.
   d. Altering the class schedules of the parties so that they do not attend the same classes.
   e. Providing counseling services.
   f. Providing academic support services.

Withdrawal from the University
Students, who find it necessary to withdraw from the University should consult staff in the Student Success Center, located in Classroom Building 108. Instructions for following the appropriate withdrawal procedure will be provided. This procedure is extremely important both to the student and to the University because such things as course grades, refunds, bills, financial aid and on-campus housing are involved. If students do feel it necessary to withdraw from school, they are advised to do so before the deadline for dropping classes, which is the Friday of the 12th week in a semester. After this date, students will receive grades in their classes, even if they have not been attending them. To avoid establishing a record of failing grades, students should pay attention to this deadline and follow the withdrawal procedure outlined above. For complete academic information go the Academic Catalog.

Students that withdraw from school are suspended from receiving financial aid for the following semesters with the right to appeal. All students that withdraw from school or receive all “F”s for the term may be required to return all or a portion of their financial aid received for that term.

E. Any student who receives an official sanction of suspension or expulsion from the Director of Student Life may request an appeal hearing before the Conduct Hearing Sub-committee within three days of being notified of the decision under question. Failure to request an appeal hearing within the time allowed will be considered as the student’s agreement with the sanction of suspension or expulsion.

F. The Vice President for Student Affairs will organize formal hearings of the Conduct Hearing Sub-committee. The Conduct Hearing Sub-committee will consist of two faculty or staff who are members of the Student Affairs Committee and two students appointed by the Student Senate. The Vice President of Student Affairs shall chair the sub-committee. Hearings of the University Conduct Hearing Sub-Committee shall proceed as follows:
   1.    5. When the case has been presented, the accused student may respond and may present witnesses in his or her behalf and may fully participate in the process, including the right to make opening and closing statements, and examine and cross examine witnesses, as allowed by the Committee Chair.
   6. Persons presenting supporting evidence may address the Conduct Hearing Sub-Committee only at the pleasure of the chairperson.
   7. Members of the Conduct Hearing Sub-committee may ask questions of any witness.
   8. For purposes of considering evidence presented, the Conduct Hearing Committee shall use a “preponderance of evidence” standard and shall make good faith efforts to include relevant evidence.
   9. At the conclusion of the hearing, the council will meet privately to consider a decision and will notify in writing the Director of Student Life and the students involved within twenty-four (24) hours of its decision.
   10. The decision of the Conduct Hearing Sub-committee will include the recommended sanction, which could include suspension or expulsion, dismissal of the charges or alternative sanctions.
   11. A student who fails to appear for a scheduled hearing will be deemed to have waived his/her right to a hearing.

G. The student has the option to appeal any conduct discipline action of the Conduct Hearing Subcommittee involving suspension or expulsion to the President of the University within five (5) days of the decision under
question. In general, an appeal must be based on errors committed during the investigation and/or hearing process that had a substantial effect on the determination of whether the violation occurred or not.

SANCTIONS: Definition and purpose:
A. Sanctions are those penalties that may be imposed by the University upon persons who, in proper hearing processes, have been found to have committed violations of the Code of Student Conduct.
B. Sanctions are intended to teach students that certain kinds of behavior are unacceptable in the University community or among educated persons generally. The teaching purpose, rather than punishment, should guide the assignment of sanction for particular offenses. Throughout the conduct process, it is most important to have the student focus on their behavior and not what was done to them.
C. Consistent with the teaching purpose of sanctions, students should expect that sanctions will become more severe for repeat offenses.
D. The University reserves the right to suspend immediately and remove from campus without hearing, any student that poses an immediate threat to the health or safety of persons on campus or themselves. This includes the threat of disruption of the educational process and the threat of destruction of the property of the University or others. (See Interim Suspension) A properly constituted hearing on the matter will take place as early as possible.

COMPLIANCE WITH SANCTIONS
Once the appropriate disciplinary authority has imposed sanctions and the student/student organization has completed the appeal process or elects not to appeal, the student/student organization must complete the sanctions within the allotted time frame stated in the sanctions.

I. If a student does not complete the sanctions or violates the sanctions as prescribed, the student may be prohibited from registering. At the direction of the Vice President for Student Affairs or designee, the Director of Academic Records shall place a hold on registration. This restriction will be removed once the student has demonstrated to the Vice President for Student Affairs or designee that the sanction has been completed. If a student has already pre-registered and the sanction has not been completed, the student will be canceled out of all classes on the day before the first day of class for which he/she is registered.

II. Student organizations that do not complete the sanctions or violate the sanctions as prescribed will no longer be considered in good standing and will not be entitled to the rights or privileges of student organizations.

III. The procedures outlined above will be explained by the Vice President for Student Affairs organization at the conclusion of a hearing and will also be articulated in writing in the results of hearing letter.

LACK OF COOPERATION
If the student absents him/herself from campus or does not respond when requested to participate in the conduct process the following steps will be taken:

I. The Director of Student Life or Vice President for Student Affairs shall make every reasonable effort to locate the student through ordinary channels.

II. If the student cannot be located or does not respond, the Director of Student Life or the Vice President for Student Affairs will initiate the normal conduct procedures in the student’s absence.

Interim Suspension
Pending a formal hearing, the Director of Student Life, or designee, may act to remove as necessary from the campus any student who may be acting contrary to the safety or well-being of oneself, others or the property of the University and who is deemed to pose a substantial risk of immediate physical harm to students, faculty members or others.

Money collected in excess of property will be turned over to a student loan, scholarship or similar fund.

**Student Rights**
All students are guaranteed a fair and impartial hearing in the proceedings of the University conduct system. The basic fundamentals of fair play, human understanding and the adherence to the laws of the land must always form the basic premise of conduct due process. A student against whom an allegation charging violations of the University standard of conduct has been lodged shall have the following rights:

A. To be given written notice of the charges in sufficient time to ensure an adequate opportunity to prepare for the hearing.
B. To present information on their own behalf, including written and oral statements and physical exhibits when appropriate.

B. Conduct suspension or expulsions are the only conduct actions reflected in the official transcript of the student. Upon the directive of the Conduct Hearing Sub-committee, the Vice President of Student Affairs shall inform the Registrar to place on the student’s permanent academic record the words “may not register.” The Registrar shall remove the notation when the penalty expires or has been terminated.
C. Students who wish to challenge specific date or information on their conduct record, amend their records, or request the release of their records must submit a written consent letter specifying the records to be released. The student is entitled to a copy of these and wishes to revoke this waiver, the student must make a request in writing at the Registrar’s office to revoke the waiver.

D. For each student who has received a conduct penalty, the University shall maintain a written record reflecting the nature of the violation, the penalty assessed and other pertinent information. Conduct records are kept in the Resident Directors Office and the Campus Programming Office as active files for a period of one year or until all sanctions are completed, whichever length of time is greater, and in retrievable storage for an additional minimum of five years. This conduct record shall be separate from the student’s academic record, but shall be considered to be part of the student’s educational record. All hearing records, notices of appeal, and petitions for review are confidential and may not be disclosed in whole or in part except as provided in this section.

E. Students needing to review their conduct or hearing records are asked to contact the Vice President of Student Affairs Office or Campus Programming Office, as appropriate, to schedule an appointment to conduct the review of these records.

**Academic Information**

For complete academic information go to the Mayville State University Academic Catalog.

**ACADEMIC STANDING**
The grade point average (GPA) for all courses attempted at Mayville State University is the basis for determining academic standing. A cumulative grade point average of 2.00 ("C") is the minimum satisfactory level of academic performance, the level required for graduation.

**ACADEMIC PROBATION/SUSPENSION**
Students who receive a Student Academic Assessment Report (SAAR) indicating specific areas needing improvement should immediately consult with the instructor and, in conference with the instructor, devise a course of action aimed at correcting the areas needing improvement.

**PROBATION**
Each student who earns less than a 2.00 term grade point average (GPA) at the conclusion of fall or spring semester is automatically placed on academic probation and is informed of this action in a letter sent by the Vice President for Academic Affairs to the student’s home and through the student’s personal campus email. Students are subject to suspension without regard to whether they have ever been placed on academic probation.

**SUSPENSION**
Mayville State University’s suspension policy requires students to attain a minimum term grade point average of 1.00 for each semester. The suspension policy also requires students to achieve institutional grade point averages at or above the following:

- 1.70 cumulative GPA at the conclusion of the semester in which the total number of institutional and transfer hours attempted reaches 24 semester hours; and,
- 2.00 cumulative GPA at the conclusion of any semester in which the number of institutional and transfer hours attempted reaches or exceeds 64 semester hours.

Attempted credits include all courses (except withdrawals) on a student’s record, including repeated and no credit courses, “Fs”, incompletes, etc. A student who is suspended following the spring semester will be permitted to enroll for the summer session in an attempt to raise their cumulative grade point average (GPA) above the designated suspension level prior to the fall semester. Failure to meet the above standards will result in academic suspension, for a maximum period of one year. Students who are suspended from the University for failure to meet the academic standards are notified of their status in writing and through the University’s e-mail system. Transfer and returning students must meet the above academic standards for admission to the University. Once admitted, however, transfer students will be allowed to enroll for at least two semesters, provided they have a 1.00 GPA or above for the term. The applications of transfer and returning students who fail to meet this standard for admission will be reviewed and decided on by the Admissions and Academic Standards Committee. The Committee may impose special conditions of admission for transfer and returning students who fail to meet the academic standards. Students on academic suspension from another institution of higher education will normally be denied admission until that suspension has expired.

**Suspension Appeal**

Students who have been suspended may appeal the suspension to the Admissions and Academic Standards Committee. To appeal, a student must provide a typewritten explanation detailing the reasons for this failure, and appear before the Admissions and Academic Standards Committee of the Faculty Association. Should you choose to exercise this right of appeal, you must make an appointment to meet with the committee. Appointments are made by contacting the Office of Academic Affairs at 701-788-4711. If a student does not exercise his or her right to appeal the suspension, he or she will be eligible to reapply for admission to the University at the conclusion of the one-year suspension.

**Classification of Students**

**Regular Students**

Regular students are those who have satisfied entrance requirements, are duly enrolled as full-time students, and are pursuing at least one of the degree programs. They are classified at the beginning of each semester as follows:

- **Freshmen** are those who have earned fewer than 24 semester hours.
- **Sophomores** are those who have earned 24 semester hours.
- **Juniors** are those who have earned 60 semester hours.
- **Seniors** are those who have earned 90 or more semester hours.

A student carrying 12 or more hours in any semester is considered a full-time student. Students who expect to graduate in four years (8 semesters) must complete an average of 16 credits per semester.

**Credit by Examination**

A student may earn a maximum of 30 semester hours of prior-learning credit, including advanced standing credit, advanced placement credit, CLEP, and life-experience credit. For more information about credit by examination, go to ndus.edu/students/earn-credit-by-exam.

**Advanced Standing Credit**

Credit by examination (Advanced Standing) for Mayville State courses is available in some programs. Interested students should consult with the discipline faculty involved to determine if this option is available. The last day to register for credit by examination is the same as the last day to register or add a class.
Advanced Placement Credit
Students who have completed certain College Entrance Examination Board (CEEB) advanced placement courses in high school and who have earned a minimum score of 3 on the Advanced Placement Examinations will be awarded college credit as follows:
CEEB should forward examination scores directly to the Office of Academic Records.

CLEP Credit
The College Level Examination Program (CLEP) is one of the accepted means by which a student may establish college credit. It is a national program that affords the student an opportunity to obtain college recognition for his/her formal or informal preparation prior to attending college. Generally, colleges and universities accept CLEP credit; however, students who plan to transfer to another institution should first check to see what the limitations of the receiving school might be.
A student must be enrolled at Mayville State University to receive CLEP credit. Students may not take CLEP subject exams after enrolling in that course.

Prior Learning Assessment
Students who have achieved a significant degree of educational growth in disciplines offered by Mayville State University through professional, cultural, or community activities may seek to be granted credit for prior learning experience. A student may earn a maximum of 30 semester hours of prior-learning credit, including life experience credit, CLEP credit, advanced-standing credit, etc. Students who believe they are eligible for life-experience credit must complete an application form available at the Office of Academic Records who will assist in identifying the appropriate academic discipline and a faculty member representing that area. The student and faculty advisor work to develop the validating documentation. This evidence is, in turn, reviewed by the discipline faculty and by the Curriculum Committee before a final decision is made by the Vice President for Academic Affairs. Credit awarded under this program is considered the same as transfer credit and may not be used to satisfy the 30-hour resident requirement. This credit will only be awarded with an “S” satisfactory grade and placed on the transcript when the student has successfully completed one semester of resident work. A student must be currently enrolled to receive prior learning assessment credit. When credit is granted the transcript will indicate the department, course number, course title, credit-hour value and the fact that this credit is prior learning assessment credit.

Grades and Grade Point Average
The grade point average is determined by calculating the total number of honor points earned and dividing by the number of attempted credit hours in which a letter grade of A, B, C, D, or F was received.

Grade Appeal Policy
Faculty must evaluate and grade student work fairly and reasonably, and students must maintain scholastic honesty beyond reproach. Disputes that arise about fairness and honesty are best resolved through open and sincere communication among all parties – students, faculty, committees, and administrators. Once a grade has been recorded for a class, the grade cannot be changed unless an
error was made by the instructor. Students may repeat a class if they would like to improve their grade. A grade appeal is an allegation by a student that such student’s semester grade in a course offered for credit was not in accordance with the grading criteria described in the course syllabus. The student must contact the instructor of the course before the fifth week of the following semester to discuss the instructor’s and student’s reasoning for the grade given or desired. The complete policy addressing procedures required for resolving grade appeals is available in the Office of Academic Affairs.

**Incomplete Grade**
A student who has an excusable reason for not completing coursework may request an "I" (Incomplete). This process is initiated by the student filling out the Incomplete Grade Request Form. If an Incomplete Grade is granted by the instructor and advisor, the student is responsible for completing the work by a deadline approved by the instructor, but no later than the close of the following term. The student must contact the instructor of the course before the fifth week of the following semester to discuss the instructor’s and student’s reasoning for the grade given or desired. The complete policy addressing procedures required for resolving grade appeals is available in the Office of Academic Affairs.

**Repeated Courses**
If a student receives an “F” (failure) in a course, he/she should repeat it as soon as possible if it is required for graduation. When a course is repeated to improve grade point average, only the last earned grade is counted in the grade point average. Each course registration and its earned grade, however, continue to appear on the transcript. Course repeats are not allowed on a one-to-one basis such as independent study or on an arranged basis. This policy may be appealed through a sub-waiver form when there are extenuating circumstances and would require approval.

In regard to financial aid and Title IV funding in relation to the repeating of a course, the following applies:
- A failed course may be repeated as many times as needed until passed.
- A previously passed course may only be repeated once. This includes even those courses where a higher grade is required for the major (e.g., minimum of “C” for Teacher Education and Business Administration core courses, etc.)
- This does not include courses designated as repeatable (e.g. band, choir, student government, etc.) as these are not restricted nor limited (unless designated otherwise) and, therefore, a student may repeat these courses as often as allowed.
- If a student finally passes a failed course with a passing grade, he/she may repeat the course one more time to try and achieve a higher grade.

**Satisfactory/Unsatisfactory Credit**
Students with junior standing or above are permitted to register for an academic course on a satisfactory/unsatisfactory (S/U) option based on the following policies:

1. Students must have an overall 2.0 grade point average in order to qualify.
2. The S/U option may be used for courses that do not apply to a major or minor field. The student, however, may use this option if the course is in excess of the requirements for the major or minor field of specialization.
3. The S/U option is not available for required general education or professional courses.
4. Students may not change to, or from an S/U option after the last day to add classes.
5. Life experience credit, CLEP, or military credits (recorded as S/U), may be used toward the major and/or minor upon approval from the respective Division chair.
6. S/U credit will not be used in determining honor points or honor point ratio.
7. The traditional “D” or better will be considered satisfactory “S.”

Other courses in which S/U credit may be earned are listed in each department of this catalog. These courses may be taken upon the advice of the student’s advisor.

**Transfer Grade Point Average**
Total hours earned and the grade point average from all transfer institutions are entered on the Mayville State University official transcript and are calculated for a cumulative grade point average, however, transfer courses do not appear on the MSU official transcript.

**ACADEMIC FRESH START**
The Academic Fresh Start policy allows a student who has had former academic deficiencies and been out of higher education for three consecutive years to recover without penalty and have an Academic Fresh Start.

- The student must be currently enrolled as an undergraduate student at Mayville State.
- At least three consecutive years must have elapsed between the earned credits and the Academic Fresh Start request.
- An Academic Fresh Start may be requested for all coursework in no more than four selected quarters or semesters including previous transfer credits or Mayville State credits.
- Individual course(s) do not qualify for an Academic Fresh Start.
- All courses in forgiven terms cannot be used to meet pre-requisites or degree requirements.
- To qualify, a student must have completed a minimum of 12 semester credits with a 2.50 GPA or higher.
- Academic Fresh Start may be invoked only once and is irreversible.
- The policy is not available to a student pursuing a degree after a first baccalaureate degree has been granted.
- Students are responsible for ascertaining if the Academic Fresh Start would affect their current or future eligibility status for financial aid or veteran’s benefits or other financial assistance programs.
- Teacher Education candidates are not eligible for an Academic Fresh Start at this time due to state teacher licensing requirements currently in place.

For more information or to make an Academic Fresh Start request contact the Office of Academic Records at Old Main 114.

If approved the academic transcript will indicate the terms affected by the Academic Fresh Start. Credits and grades will continue to appear on the academic transcript with credits included in attempted hours; however, letter graded courses will be excluded from the grade point average. Graduate and professional programs and other universities’ undergraduate programs are not bound by the Mayville State University Academic Fresh Start policy.

**ACADEMIC HONORS**

**DEAN’S LIST**
The University makes personal, as well as public acknowledgement of the academic achievement of students earning a semester grade point average of 3.50 or higher on a 4.00 scale by naming them to the dean’s list.

Criteria for selection to the dean’s list are solely academic. Consideration is based on grades reported to the Registrar at the end of each semester. The dean’s list includes all students who maintained a GPA of at least 3.50 for the semester while completing a minimum of twelve (12) graded credits a term from Mayville State University during the academic year. Students assigned an “Incomplete” for any course(s) are ineligible for dean’s list consideration for that semester.

Core courses that are required for an MSU approved program and are only available from a collaborative institution are included in the twelve (12) credit maximum and are used in GPA determination for dean’s list. (The MSU Medical Laboratory Science program offered in collaboration with the University of North Dakota is the only qualifying program.)

**COMMENCEMENT HONORS**
Three levels of honor students are recognized at the spring commencement exercises of Mayville State University:

- **Cum Laude** 3.50 - 3.69
- **Magna Cum Laude** 3.70 - 3.89
Summa Cum Laude  3.90 - 4.00

Eligibility for honors designation requires completion of 30 semester hours from Mayville State using the institutional grade point average. For publication purposes, commencement honors for spring commencement candidates are calculated at a designated time after fall semester. The final transcript for all baccalaureate graduates will, however, reflect the appropriate commencement honors. The Commencement Participation Policy can be found in the academic catalog under “Graduation Requirements.”

ADMISSION TO MAJOR PROGRAMS
A formal major declaration process is required for all teaching majors and the following Bachelor of Science programs: Medical Laboratory Science, Biology, and Chemistry. See the Division chair of these programs for more information.

CHANGE IN PROGRAM – ADDING OR DROPPING COURSES
Program changes include adding courses or withdrawing from a course after students have made class reservations. All students can use “Campus Connection” through Friday of the first week of classes. After that time, each add or drop requires the following procedures:

Drop an on campus course:
1. Secure a Change in Program form from the Office of Academic Records in Old Main 114.
2. Secure the instructor’s signature for each class added or dropped.
3. Secure the advisor’s signature.
4. Present the completed form to the Office of Academic Records for processing.

Drop Extended Learning courses BIOL 220/220L, BIOL 221/221L, or BIOL 302/302L:
1. Send an email to ExtendedLearning@mayvillestate.edu stating name, student id number, and the Catalog number (i.e. BIOL 220) and name of the course to drop. An attempt to drop course(s) in ConnectND by the student will be unsuccessful.

Drop a Dual Credit course:
1. To drop a dual credit course, first receive permission from your high school principal or superintendent. then have your principal or superintendent contact the Office of Extended Learning at 701-788-4667 to complete the drop.

Drop an Online, IVN, Off Campus face-to-face course:
1. Degree-seeking students should consult with their advisor.
2. Send an email to records@mayvillestate.edu stating name, student id number, and the Catalog number (i.e. ENGL 120) and name of the course to drop. An attempt to drop course(s) in ConnectND by the student will be unsuccessful.

CLASS ATTENDANCE AND PARTICIPATION
At Mayville State University, student attendance and participation are very important elements of university success. The instructor will inform students of attendance expectations, participation, and grading policy. Students incurring an absence are expected to notify an instructor as soon as possible and are responsible for completing all assigned academic work. Faculty members will determine whether or not the student is excused from class or will be allowed to make up missed coursework. If an appropriate arrangement to make up missed coursework cannot be made between the student and instructor, an appeal can be made to the academic division chair. Faculty should consider their attendance policy for students representing Mayville State University in approved inter-collegiate athletic, music, theatrical or other events.

All faculty members are required to complete an enrollment verification for each course taught accordingly:
• 16 WEEK (fall/spring): After fifth full day of instruction
• 5WK (fall/spring): After first full day of instruction
• Mini Session (summer): After first full day of instruction
• 4WK1 (summer): After first full day of instruction
• 4WK2 Session (summer): After first full day of instruction
• 6WK 1 Regular Session (summer): After second full day of instruction
• 8WK1 (summer): After second full day of instruction
• 10WK1 (summer): After third full day of instruction

For on campus courses, enrollment verification means that a student has attended that specific course. For online courses, enrollment verification means that the student has logged into Moodle and has participated in a discussion; completed an assignment, quiz, or test; or has emailed the instructor regarding the course. By the fifth full day of instruction for 16-week classes (see University Calendar), if a student has not had enrollment verified for a course, the student will be administratively removed from the course. The Office of Academic Records will email the student and advisor notifying them of the course removal from the student’s schedule. If the student wishes to re-enroll in the course, prior approval must be secured from the instructor of the course, the division chair overseeing the course, and the academic advisor. Appeals for administrative drops are handled by the academic division chair overseeing the course. A student’s lack of attendance in a course does not guarantee automatic cancellation of enrollment in the course. Each student is responsible for courses on their respective study lists. Only a properly processed “drop” through ConnectND Campus Connection will assure the student that a course has been removed from the study list. If ConnectND Campus Connection access is not available (i.e. dual credit students) the Office of Academic Records should be notified to assist with the drop. Failure to follow this procedure will result in a failing grade on the student’s record. ConnectND Campus Connection will not allow a student to drop all coursework for the term. Students wishing to make a complete withdrawal for the term should contact the Mayville State University Office of Retention at 701-788-4675 in CB 108 by the end of the 12th week of the term.

**Course Load**

Full-time enrollment is twelve (12) semester credit hours. A normal course load is between 15-17 semester credit hours. A student may register for as many as nineteen (19) semester credit hours per term. A student wishing to enroll in excess of nineteen (19) semester credit hours in a term will require an institutional overall GPA of 3.00. An outstanding incomplete grade will prevent the student from receiving an overload without a petition to the Academic Standards Committee. Mayville State’s policy limits enrollment to a maximum of twenty-two (22) semester credit hours a term during the academic year. Students taking 19 or more credits should use the 12-18 credit-hour-rate plus the per-credit-hour rate for the additional hours over 18 credits.

Petition applications are available at the Office of Academic Records.

**Late Registration**

The academic calendar, with dates of registration, is published in the front of this catalog. If an emergency has occurred and a student cannot enroll on the designated registration date, he/she should obtain permission for late registration from the Registrar.
