

At Mayville State, you'll earn more than a degree. You'll earn an education.

Business Management • Associate of Arts Degree Online

Personal Service

We pride ourselves on being just the right size to give students the time they need to be successful. Our average class size is 15, so you will have small, personalized class settings with a technological focus for you to receive the education that you deserve. Your professors will introduce you to new ways of thinking, explore issues creatively, and evaluate ideas as you engage in the world.

Success

Our students get jobs. Period. Job placement rates are consistently 96-98%! We also have internship opportunities to give you real, hands-on learning experiences and make your resume stand out.

Value

The combination of MSU's affordability and its unique offerings make it a Best in the Midwest College, as designated by the Princeton Review. MSU was also named one of the 2013 top three Public Regional Colleges in the Midwest by U.S. News & World Report.

The Program

The world of business is driven by technology, and MSU's technology-enriched business administration program prepares you to succeed.

Upon completion of the associate's degree, students will have completed the general education requirements and several core business requirements of a four-year degree. All classes will transfer to a baccalaureate program at Mayville State University, including the Bachelor of Applied Science (BAS) in Business Administration. The Bachelor of Applied Science in Business Administration is available online and is a very transfer-friendly, flexible degree option.

Career Paths

Technology-Enriched. As a student at Mayville State, you'll gain the technology skills you need to succeed in the business world.
