INTRODUCTION

Welcome to residence hall living at Mayville State University! As a student it is important to remember that academic success in every field is dependent upon learning to work with other people. It is our feeling that the provision of physical facilities conducive to good studying, combined with a program of constructive social and leisure time activity is essential in developing a successful educational goal. No other learning assignment on campus offers the opportunity of learning how to "live with people" so well as living in a residence hall. Your new address becomes more than a place in which to be comfortably housed. It is an integral part of your total education.

PLEASE READ THIS BOOKLET VERY CAREFULLY AS IT IS A PART OF YOUR CONTRACT. All information contained in this section is incorporated as a part of the residence hall contract. Individuals who sign and submit a housing contract will be responsible for knowledge of all information contained in this handbook.

RESIDENCE HALL STAFF

The Mayville State housing office employs students and professional staff. While living in a residence hall, resident assistants (RA's) will be the student members of the staff with which you have most contact. RA's are men and women who live on or near the floor and assist you in many ways.

They will be assisting you in developing a community. They will set behavioral expectations and work with those not conforming to those expectations. They will assist you in problems you may be having with your roommate, a boyfriend or girlfriend, loneliness, and a wide variety of other concerns. In general, they are knowledgeable of housing, university services, and they are a good starting point to find information. They are available to help you in a crisis emergency situation, which could include injury, accident, or illness. The wide variety of responsibility makes the job difficult, to say the least.
Please do not forget the RA’s are also students and have an academic schedule and study needs similar to yours. They need personal and relaxation time, and there may be times when they are distracted. You may, on occasion, have difficulty contacting the RA. Please refer to their posted phone numbers to contact them via phone or by email.

Your Resident Director is a full-time, professionally trained staff member responsible for your hall. This person provides resources and support for the many activities in your hall and on your floor. This includes supervising RA’s and working with residents with personal and behavioral problems. The Resident Director is also the hall liaison with maintenance, housekeeping, and food service.

Their primary concern is the growth and development of all residents and the community. A Resident Director wants to get to know you and will be knocking on your door. Please feel free to stop by their apartment and get to know them or just to say "hello."

The Residence Hall Night Watch Patrol are students who walk through our residence halls during the evening hours. Their purpose is to assist with enabling a wholesome living environment for our students and to assist with maintaining a safe environment for our resident students.

RESIDENCE HALL POLICIES

Alcohol
The North Dakota State Board of Higher Education prohibits alcoholic beverages from being consumed and/or alcoholic containers from being stored on state university property. This includes empty alcohol containers. Students are expected to abide by local ordinances and state laws regarding the consumption or possession of alcoholic beverages. In addition, beverages that are sold as “imitation alcohol products” are not allowed. Individuals in the presence of alcohol or other drugs are subject to conduct procedures. Violation of this policy and/or other policies impacting your fellow residents may result in your removal from the residence halls. Non-college students, who are of minority age, found in situations with alcohol in the residence halls are subject to arrest, as are their hosts.

Alcohol/Drug Advertisement
Posters and other items advertising alcohol/drugs are prohibited in the public areas of the residence hall and its surrounding grounds. This includes posters and lighted signs in residence hall windows or on residence hall doors.

Alcohol Containers
Alcohol containers, full or empty, are not allowed in MSU residence halls. Violations will be subject to conduct proceedings.

Alterations (Electrical)
Electrical alterations: UL approved power strips with surge protectors are the only type of multiple outlets allowed. Modifications, especially dimmer switches, are prohibited because of the safety
factor involved during installation. **The use of extension cords is prohibited.**

**Alterations (Room)**
Student rooms are furnished with beds, desks, dresser, chairs, and things designed to meet basic student needs. Removal, alteration, or addition to student rooms must receive prior written approval from the Housing Office. Before approval of any additions, deletions, or alterations to a room is given, the student must understand that such additions, deletions, or alterations must meet University standards. The painting of students’ rooms can only be done by the University. Alterations to any residence hall’s property or semi-permanent installation of your permanent property are prohibited. Consult with your resident director regarding room decorations. Any damage caused by your decorating efforts will result in a charge for repair being assessed to you. Example: No nails, screws, tape, no command strips, etc. Sticky tack is preferred. Fines will be assessed for damages for the cleanup of walls. Altering the desks in Birkelo is prohibited.

**Appliances (Cooking)**
The cooking of meals in student rooms is strictly forbidden (exception: Agassiz apartments). Each hall is equipped with an oven and microwave oven for your convenience.

**Appliances (General)**
In the residence halls, several students' rooms are wired into the same electrical circuit. Care must be exercised in the number of electrical appliances plugged into any one outlet. Acceptable electrical appliances include desk lamps, radios, televisions, stereos, clocks, fans, portable hair dryers, curlers, curling irons, computers, refrigerator (3 cubic foot) and electric shavers. Appliances not allowed include portable heaters, cooking appliances, sun lamps, exercise equipment, microwaves, and air conditioners. No more than 3 electrical appliances can be plugged into any double outlet. The Director of Student Life must approve all other electrical appliances. NOTE: Repeated disruptive offenses will result in confiscation (until such a time when the appliances can be taken home).

**Application/Room Reservation Fee**
A $50 application/room reservation fee is required for reserving a room in our residence halls. This fee is deducted from your room cost during fee payment. This fee is non-refundable if a student does not live in our residence halls.

**Balls**
The bouncing of balls, hitting balls, rolling balls, etc. is prohibited in the residence hall and is subject to a noise and/or damage fine.

**Berg and Agassiz Hall Apartments**
Residents of these apartments are subject to the same campus rules and regulations as all other campus residents. Repeated violations of campus policies will subject the residents to removal from campus housing.

**Bicycles**
Bike racks are available for use outside each residence hall. All students who own bikes are encouraged to obtain strong locks and chains. As they are outdoor bikes, you can not ride bikes in the residence halls. Bikes may not be stored in the residence halls common areas and no winter storage is available. No motorized vehicles are allowed in residence halls. **Bike Lending Program:** Students may check out bikes from The Library free of charge. For more details, speak with the Assistant Director of Student Life.

**Break Periods**
For safety and health reasons, whenever you leave your room for vacation periods you must turn off all the lights, unplug all appliances (excluding refrigerators, computers, and aquariums), empty your waste baskets, close and lock window, leave drapes 12 inches open and close and lock your room door. The residence hall staff will check the fire safety equipment in the hall and individual student rooms during each vacation period: semester (winter) and spring break.

**Building/Furniture Regulations**
No structural changes, additions, attachments, transfers, or change of furniture may be made at any time. Additional furniture is not allowed in the residence halls. (i.e. no personal futons, couches, chairs, etc. unless otherwise approved by the Director of Student Life) Residents may bring furniture from home if they desire; however, they are responsible for all furniture in their assigned rooms and must meet the approval of the Hall Director. There is no storage space available for University furnishings moved to accommodate personal items. Furniture may not be transferred from one room to another or removed from campus.

Lounge furniture is for the use of all residents in the area, and may not be removed from these areas under any circumstances. Conduct proceedings will be initiated against residents in possession of hall furniture in their rooms. In addition, a fine of $75 will be assessed to the individual responsible for such possession.

Bed extenders are to be used only in bunking beds. Unsafe use of extenders, such as stilting or lofting, may result in conduct proceedings. The lofting of beds is prohibited in all residence halls.

Window screens, stops, or seals may not be loosened or removed for any reason. Dropping, throwing, or in any manner allowing objects, liquid or solid, to be ejected from windows is strictly prohibited. Residents of a room are considered responsible for any object ejected from their window. Residents are not allowed to place tape, stickers, aluminum foil, or signs of any kind on or in their windows. Doing so can result in the cracking of the glass. Residents are not permitted on the roof of any building.

Residents should be aware that leaving windows open during cold weather may cause the pipes in their rooms to freeze and possibly burst. Students are responsible for any damages that result from frozen pipes due to a window being left open in their room.
Cancellations
Rooms are rented on an academic year basis. Students moving to an off-campus residence during a term will be responsible for the entire semester's room and board and no refunds unless they withdraw from the University. Students of junior/senior status or 21 years of age or older students who desire a change to their housing contract may appeal to the Director of Student Life for an exemption.

Candles
No open flame is allowed in the rooms; therefore, burning candles and incense is prohibited. Electric potpourri pots are not allowed.

Check-in
Your residence hall staff is in charge of checking you in and out of your room. Once you check into your room you assume responsibility for the room's contents and maintenance. At the time of check in the room should be checked thoroughly. Room inventory forms must be completed at check in/checkout. **Report damages to resident director immediately.**

Check-out
When you check out, any damages to your room incurred during the year, will be charged to you and/or your roommates. Rooms not cleaned will be assessed a cleaning fee (minimum $25). Improper check-out will also result in the imposition of a fee (minimum $75). **PROPER CHECK OUT PROCEDURES ARE AS FOLLOWS: 1)** Entire room, including windows, must be cleaned: a) Floors swept/vacuumed and mopped. b) All drawers and shelves must be emptied and wiped out. c) All Personal belongings must be moved out of your room before the room will be checked. 2) Check out procedures: a) Sign up for the time you wish to be checked out with the Resident Assistant. The RD/RA will check your room at that time. b) Windows/doors should be locked and keys turned in to RD/RA after check has been taken. c) Sign the residence hall inventory sheet and be aware of any damage assessment. Record the date and your forwarding address. **Note: deadline for vacating the residence halls will be posted for your information.**

Chewing Tobacco
Mayville State University is a “tobacco free” campus. Chewing tobacco is not allowed in or around the residence halls. Violation of this policy will result in a conduct fine assessment.

Christmas Break
All residents will be expected to vacate the residence hall during this period. Interim Housing arrangements can be made through the Campus Programming office in Campus Center 104. **A charge of $15 per day will be assessed to students that request interim housing.** In season student/athletes, international students, and students required to perform services for the university will not be assessed interim housing charges. Residents are required to inform their Resident Director if they plan to stay during Christmas break. Fines for violation of Residence Hall Policies are doubled during break periods.
Cleaning
You are responsible for cleaning your room (exception: Agassiz Hall suites and apartments are on a cleaning schedule. These times will be communicated to Agassiz residents). Cleaning equipment is available in your hall. We hope that you keep your room in a reasonable state of cleanliness throughout the year. When you check out, you are expected to remove all personal items brought into the room. You are responsible for cleaning the room so that it is left in the same condition as when you moved in. If any special cleaning must be made by the custodian, you will be charged a $75.00 minimum. The University reserves the right for its personnel to enter and inspect your room if concerns for you and others health and safety is perceived.

Community
Your residence hall will be "home" for nine months of the year. This is where you study, sleep, make friends, socialize and relax. You may be sharing a room, suite, or apartment with other students and you will share the facilities of your floor with a number of students. You are an important member of this community. Living in a residence hall requires compromise, consideration and the sharing of responsibilities. As a member of your floor, you are responsible for respecting the needs and rights of others. All residents are asked to do their part to keep the floor clean, safe and quiet enough for sleep and study. These responsibilities also apply to the residence hall as a whole since you and the residents of your floor will cooperate with residents of other floors to make it a better place to live.

Common Damage
Common damage is defined as malicious or negligent damage to a common area of a hall, above normal wear and tear, including theft of property. We expect a certain amount of wear to occur in your rooms. However, you will be charged for damage or loss which is a result of negligence or misconduct. Damage within your room will be the joint responsibility of the residents assigned to the room, unless individual responsibility is determined. Any damage in the residence halls, i.e., lounge, rest rooms, hallways, stairwells, lighting units, fire extinguishers, vandalism to other resident’s room/property, etc. will be charged to the individual(s) responsible for the damage. If the party responsible is not determined or reported, the charges will be assessed to each resident of the floor or the entire residence hall, whichever is appropriate. Your cooperation and assistance will help contain room rates and improve the quality of living in the hall. A fine will be assessed for removal of lounge furniture to individual rooms.

Computers-Help Desk
The Help Desk is located in Main 105. Personnel will assist you with all of your computing needs.

Computer Usage
Individuals who use the North Dakota University System computer and network facilities assume responsibility for using these resources in an appropriate manner. Acceptable use of computer and network resources is defined in NDUS Procedure 1901.2: Computer and Network Usage, available on-line at [http://www.mayvillestate.edu/about-msu/more-info/reports-policies/](http://www.mayvillestate.edu/about-msu/more-info/reports-policies/) Misuse of MSU computer and network resources may result in termination of access to any or all of these resources.
without notice to the user. In more serious situations, a computer may be seized by campus or law enforcement authorities. View “Computing Resource Agreement (Information Technology Services)” located in the Student Handbook for more information.

Contract-Housing
Housing contracts are signed each year by students planning to live in residence halls. The contract is a legal document explaining the University's policies as well as its expectations of students. Standard procedures and regulations concerning residence hall living are contained in the contract. You are responsible to know and abide by the contract's terms and conditions, as it is important to retain your portion of the document as a source of information. Housing contracts are in force on an academic year basis. Students are held responsible for fulfilling the contract terms.

Cooking
Fire regulations forbid cooking, candles and the burning of incense in your room. Cooking facilities are available for the resident’s use. Kitchens may be closed if residents neglect to clean up after using the facilities.

Courtesey hours
Courtesey hours are in affect in each residence at all times. Students are requested to observe the courtesey hours in order to provide an appropriate atmosphere for studying and sleeping. (See Quiet Hours)

Darts
Due to damage resulting from darts, they are not allowed in the residence halls.

Decorations - Alcohol Containers
Alcohol containers (full or empty) in a room are not considered decorations and will be treated as an alcohol possession violation subject to University conduct action.

Directives of a University Official
Students are not to disregard the reasonable directive, verbal or written, of a University official. University officials include, but are not limited to, Resident Assistants, Resident Directors, Residence Hall Night Watch Patrol, MSU Night Watch Patrol, and MSU weekend custodial. Neither are students to obstruct residence hall or other University officials in carrying out their assigned duties.

Dishes
Personal dishes will be confiscated and not returned if left over night unattended in cooking areas.

Drugs
The State of North Dakota prohibits the sale, possession, and use of marijuana, depressants, stimulants, hallucinogenic drugs and/or paraphernalia. The University cooperates fully with state
authorities seeking to enforce drug abuse laws. Cases of student drug possession/abuse will be reported to the Director of Student Life and/or civil authorities for appropriate disciplinary and/or legal action. This may include removal from the residence hall.

1. Residence hall students are expected to abide by Federal, State, Local, and City laws and ordinances with respect to the use of dangerous/illegal drugs and narcotics.
2. Students receive no immunity from arrest or prosecution by law enforcement officials as a result of their residence in University housing.

**Emergencies**
In case of an emergency, first notify your RA and/or your Resident Director if possible.

**Energy**
With the increasing cost of all utilities, we ask your cooperation in conserving energy whenever possible in the residence halls. Turn off lights (except hall, stairway, and safety lights) when not in use, as well as other items, which use electricity.

**Escorts**
Guests must be escorted by a resident at all times while visiting in the building. Fines may be assessed for violations of this policy.

**Extension Cords**
Plugging in cars is prohibited. Extension cords found coming out of windows and doors will be confiscated. As stated before, extension cords are prohibited within the residence hall rooms.

**Falsification of Information/Misrepresentation**
Students are not to use or provide false documentation to the University or to officials of the University in any form, written or verbal. Students are not to knowingly use, misrepresent or falsify any University records forms or procedures. Misrepresentation or misuse of any identification card in the residence halls or failure to show appropriate identification upon request by a residence hall or university staff member will result in disciplinary action.

**Fines**
Fines are sometimes assessed for residence hall rules and regulation violations. Your Student Handbook and Residence Hall Handbook will list these violations. Your hall staff will also take opportunities to cover these offenses with you. All transcripts and grades are withheld until payment for fines is received. The Residence Hall Association (RHA) uses fine money collected for programming purposes, alcohol/drug education, residence hall activities, leadership training & miscellaneous expenses.

**Fire Alarm System and Equipment**
The fire-alarm system and fire-fighting equipment are for your protection in the residence halls. Tampering with fire-fighting equipment, or setting off a false alarm, not only makes the system
ineffectual but also endangers the lives of other residents. Thus, tampering with, removal of, or misuse of fire extinguishers, fire alarms, or other fire-fighting equipment and fire exit signs is prohibited by both our policy and state law. Any student tampering with fire-fighting equipment will be subject to punishment by state laws and disciplinary action. (Prosecuted as disorderly conduct, a Class 'B' misdemeanor, with a maximum punishment of 30 days in jail, a $500 fine or both).

**Fire Alarms and Safety**

Fire prevention in the residence halls is taken very seriously by hall staff and is the shared responsibility of all students living in the halls. The use of toasters, microwaves, hotpots, or any other cooking appliances is prohibited in rooms. Cooking appliances can only be used in kitchenettes. Candles used for decorative purposes are prohibited. Candles and other devices with open flames, as well as incense, are prohibited. Students who attach paper wrap to residence hall room doors must leave a 1 ft. border around the door free from paper.

Students who choose to grill outside of the residence hall can do so provided they are tending the grill at all times. Grills must be cleaned after use and the cold ashes must be disposed of in an appropriate manner. Grills may be stored in the student’s room as long as the grill is clean and free of ashes. Lighter fluid and charcoal with fluid imbedded in the product cannot be stored in student rooms.

Each residence hall is equipped with a smoke detector which is periodically checked by hall staff. In accordance with North Dakota state law, when the building alarm sounds, all residents are required to leave the building. Residents cannot re-enter a building until permitted to by hall staff. In the event of limited or poor evacuation, Resident Directors are authorized to direct hall staff to enter student rooms to ensure evacuation. Any violations of evacuation procedures by residents will be handled through conduct proceedings. Any person who willfully tampers with fire alarm equipment resulting in a false fire alarm is subject to criminal punishment. Fines from $250-$1,000 may be assessed, and the incident will become part of the person’s criminal record. Fire extinguishers are provided as a life safety feature. Tampering with them will result in disciplinary action and may result in removal from MSU Housing.

**Fire and Building Evacuation**

All residents and/or guests are expected to respond appropriately and immediately whenever a fire alarm is sounded.

Building evacuation procedural guidelines (in force whenever an alarm has been sounded):

1. Lights on in room
2. Doors should be closed
3. Windows closed
4. Curtains open

All individuals should:

1. Wear shoes and carry or wear a coat. Also, carry a towel.
2. Walk in single file to the outside of the building and get at least 50 feet away from the building
3. Remain outside until a return signal is given.
4. It is required by law that all persons exit the building during a fire alarm.

If you discover or suspect a fire:
1. Stay calm. Think of what you need to do and then act.
2. Sound the alarm for the building
3. Evacuate the building
4. Notify the fire department from a safe location by dialing 9-911 (don't hang up; you'll need to stay on the line to provide emergency personnel with you location.

Fire Drills
The State Board of Higher Education mandates that at least one fire drill be held in each residence hall per term. All residents must leave the building when the alarm sounds for the drill. **Law requires evacuation.** Students are responsible for cooperating and following escape plans as explained by hall staff and posted on each floor. Failure to evacuate the building when an alarm is sounded will result in a disciplinary action. **Each room is equipped with a smoke detector for your protection.** The light on the detector indicates it is in working order. The detectors must be tested at the beginning of each semester. **If the light is not on or if your alarm is not working properly, report it to your Resident Director.**

Fire Hazard
For your protection, we urge you to use good judgement in decorating your room so that furniture, posters, mobiles do not create fire hazards.

Firearms and Explosives
Firearms, explosives, or other dangerous weapons are not permitted within or upon the grounds, buildings, residence halls, or any other facilities of the University. North Dakota law defines a dangerous weapon as an instrument that is designed, or likely to produce bodily harm. Since these items directly affect the health and safety of the residents, anyone found with these items is subject to expulsion. **Any of the following are considered a (firearm/weapon) guns, bows and arrows, knives, blowguns, etc. (explosive) ammunition, fireworks, etc.**

Flags
Flags may be displayed if displayed properly. The University reserves the right to remove any flag improperly displayed. Flags displayed in windows are considered improperly displayed.

Flammable
Because of the obvious fire hazard, highly flammable materials such as chemicals and gasoline are not permitted in the residence halls. The burning of candles are not allowed in residence hall rooms. The burning of incense is not permitted in residence hall rooms at any time. It is a fire hazard, and many hall residents find the odor offensive to them.

Food Service

---

2014-15 Residence Hall Handbook
MSU Dining Services provides all food service on-campus. All students living in University residence halls are required to make a contractual agreement with the University for board. Seven-day meal plans are provided for all students. All contracts are considered legal and binding when the student pays his tuition and fees. Board changes should be made prior to the end of the preceding semester. Board contracts do not include University vacation periods when school is not in session. (Fall Semester- Winter Break, Spring Break-March) All meals are served in the Campus Center Dining Room and Snack Bar according to the schedule posted outside the Dining Room. Policies: The food service provides sack lunches to those who can not eat during regular serving hours (because of class or work conflicts). The student must present the food service director either their class schedule or verification from their employer as to their work schedule.

Sick tray service is provided but will only be issued with proper authorization from the Resident Director, University nurse or local doctor. Special dietary needs must be forwarded to the Food Service Director for his/her assistance and expertise. **Note: Students MUST carry their ID to be admitted into Dining Room.** If you are not in possession of your ID, you will be sent to retrieve your card. If lost, a new ID can be obtained through the Student Services Office in Main 107 for a charge. Residents are expected to conduct themselves properly in the Dining Room. Disorderly conduct and verbal harassment causes an unpleasant environment for all boarders and will not be tolerated. A $50 fine will be assessed for disorderly conduct offenses with any re-occurrences resulting in further disciplinary action. **Any person identified as not properly presenting their ID to the cashier, not paying for a meal they are eating, using someone else's ID, or assisting someone in entering the Dining Room without paying will be assessed a monetary fine. The fine structure is: 1st offense: $50.00 fine plus restitution; 2nd offense: $100.00 fine, restitution, loss of privileges (to include denied access to the Campus Center Dining Facilities) and referral to the Director of Student Life.**

**Furniture**
Residence hall lounge furniture (for the convenience of all residents) is to be left in the lounge or public area. Removal constitutes theft and will result in University conduct action. All entrances to rooms must be kept open and not blocked by furniture. Also, residence hall room furniture is not to be removed from its room.

**Furnishings**
All residence hall rooms are fully furnished. When you check out, you are responsible for removing all your items. A fee will be assessed if residence hall personnel are required to move your items or replace residence hall furniture. Each student provides himself or herself with all necessary articles, including bedding, linens, and personal items. **Furnishings which are not permitted include dart boards, traffic signs, candles, incense, weight lifting equipment, exercise bikes, rowing machines, fishnets, and large tapestries, and personal couches, futons, etc..**

**Gambling**
Any games of chance involving money are prohibited on University property.
Guests
You have the privilege to have overnight quests. All overnight guests must be registered with the Resident Director. Non-registered overnight guests will be treated as trespassers. The guests may be housed in your room with permission of your roommate; however, the guests will not be issued a key to your room. The guests may share the outdoor key privilege with his/her host/hostess who is fully responsible for the key. An overnight guest who spends the night in your room must be of the same sex. A guest of the opposite sex may be housed in a guestroom if one is available. The charge for a guestroom, will be $15.00 per night w/o linens and $20.00 per night w/linens. You may not have more than one guest at a time and may not house a guest for more than three nights unless special arrangements are made. You must instruct your guest of the University and residence hall rules and policies; you are responsible for the conduct of your guests. Misconduct could result in the loss of this privilege, disciplinary action for you, and immediate eviction of your guest.

Guests/Escorts & Visitation Hours
Guests are welcome in MSU’s residence halls. However, in order to maintain a favorable, safe and secure living environment, certain rules must be followed. All non-residents of a building must be escorted by a resident of that building. Visitors to the residence halls must be an invited guest of the resident.

Weekend (24-hour) visitation means students may have guests of the opposite sex in their rooms at any time. However, cohabitation is against state law and University policy. Any overnight guest must be of the same sex as the resident. Requested exceptions for members of the resident’s immediate family must be made in advance to the Resident Director. Visitation may infringe upon the rights of the roommates or suitemates. As in other areas, discussion with your roommate prior to bringing a visitor to the room should be done. The time(s) and frequency of visitors need to be arranged in advance between roommates. The right of a resident to sleep or study supersedes the right of another person to entertain.

During long weekends, visitation and escort rules for the weekend will be extended to include the non-class day(s). This extension does not apply to semester (winter) or Spring Break. Residents are responsible for the behavior of their guests. In addition, guests who violate campus policy will be reported to the appropriate authorities.

Hall Dues
Hall government dues are collected during fee payment periods of each semester. These dues are used for programming purposes, residence hall activities, leadership training, minor operational costs and miscellaneous expenses.

Harassment
Menacing: Menacing is knowingly frightening or attempting to frighten another person through threats of imminent and serious harm.
Terrorizing: Terrorizing means to threaten to commit an act of violence and/or to threaten to commit an act that would endanger another person’s life.

Stalking: To “stalk” means to intentionally with no legitimate purpose, repeatedly (more than one time) behave in a way that would cause a person to experience fear, intimidation or harassment, or to be the object of repeated unwanted attention. Stalking behavior includes, but is not limited to, such actions as: following, loitering near, telephoning, or e-mailing another person with the intent to annoy, harass, alarm, distress, or intimidate that person or his/her immediate family.

Hazing
Hazing is defined as any action taken or situation created intentionally to produce psychological or physical discomfort, embarrassment, or ridicule. It is assumed that all students, student groups, faculty, and staff are interested in intellectual and social development of individual members; therefore, in activities no action will be taken which stands to endanger the health of the individual, or demand of him or her undignified conduct, or in any way jeopardize his or her scholastic standing or general well being. For these reasons, all forms of hazing on the part of any student/student groups-whether on or off University property-are expressly prohibited.

Health Service
This is located in Berg Hall with the hours of operation posted outside the office. Your RA or RD should be notified if you need medical assistance when the Nurses office is closed.

Holiday Decorations
Holiday decorations may not include natural trees and greens. Artificial trees less than four feet are allowed. Spray snow and seasonal decorations must be removed prior to winter break. Only non-heat producing fireproof lights and decorations are permitted. Decorative lights must be UL approved and must be of miniature size. Ceramic lights are not permitted. Custodians are not expected to clean unnecessary messes made by residents. Your cooperation in caring for the facilities will create a pleasant atmosphere. Vacuum cleaners, brooms, and mops are available for you. Check with your hall staff for these cleaning materials. ID is required in exchange for use of...
vacuum cleaners.

Housing Requirement
Any student is welcome to reside in the institution’s residence halls, regardless of their age or class status. All freshmen, sophomores, and students who are less than 21 years of age are required to live on campus in an approved residence hall. Students who live in residence halls are required to take part in an approved Board plan.

The following categories of students are exempt from the above requirement, but they must complete an off-campus residence form for directory and emergency notification purposes and provide appropriate documentation (as indicated below), if requested.
1. Students who have at least 60 earned semester or 92 earned quarter credits. Documentation: A transcript indicating the number of earned credits.
2. Students who are 21 years of age at the beginning of the appropriate term of enrollment. Documentation: Verification of date of birth by a driver’s license or other document.
3. Married students, and/or those who have dependents residing with them. Documentation: A marriage license and/or dependent birth certificates.
4. Students who have served on active duty in the military for at least 18 months. National Guard and Reserve members are not eligible for this exemption unless they have active duty service time of 18 months. Documentation: A copy of the military record DD 214.
5. Freshmen and sophomore students who are living at home with their parents or legal guardian. This is the only exemption allowed for students in their first two years of enrollment unless they meet an exemption outlined in 1 – 5 above. Documentation: Parents of eligible freshmen and sophomores should contact the Director of Student Life by phone or in person to verify that their son or daughter will reside at home.

Under no circumstances should students acquire off-campus housing without first securing permission from the Director of Student Life. The Campus Programming Office will ascertain the residency status of each student and request documentation to verify a student’s eligibility to live off campus. Students who meet the above exemption conditions must first provide the necessary documentation before assuming an off-campus residence. Students who wish to seek an exemption from this on-campus housing policy should first contact the Director of Student Life. The office of the Director of Student Life is located in Campus Center 104. Additional exemptions may be authorized by the Director of Student Life based on guidelines established by the Residence Life Sub-committee, including students with specific medical or health conditions and students who will be become 21 years of age during the term.

Students who request an exemption to the housing policy must do so at least three weeks prior to the end of the semester. Failure to submit a request and required documentation will subject the student to room and board charges for the semester.
Identification of Persons on Campus
In order to protect the safety and welfare of students and employees of the University and to protect the property of the University, all persons on property under the jurisdiction of the University shall identify themselves to an institutional representative who has identified himself/herself. A person identifies himself/herself by giving his/her name and complete address and stating truthfully his/her relationship to the University. A person may be asked to present some form of identification.

If a person refuses or fails upon request to present evidence of his/her identification and it reasonably appears that the person has no legitimate reason to be on the campus or in the facility, the person may be ejected from the campus or facility. In addition, if the person is a student he/she may be subject to disciplinary actions.

Incapacitation
Residents who become incapacitated as a result of drinking, drug usage or a medical condition will receive proper emergency medical care when staff members become aware of their condition. Residents will be financially responsible for the costs of this medical care including ambulance and/or hospitalization costs. According to North Dakota Century Code #5-01-05.1, "If a person is hospitalized for detox purposes, law enforcement or campus security personnel must notify the emergency contact." Incapacitated students who are in violation of local, state or federal laws concerning alcohol and other drugs are subject to citation and/or arrest for relevant violation of law.

Incident Reports
In the event that a residence hall rule and/or regulation is violated, Resident Director and/or Resident Assistant will write up an incident report and appropriate disciplinary action will be taken or an appropriate fine assessed.

Insurance
The University is not responsible for loss or damage from any cause to the personal property of the resident. Parents’ homeowners’ insurance policies may cover such items. Students are encouraged to provide their own personal insurance. Make sure that your laptop computers are insured. This may be done through your parents homeowners insurance or through insurance taken out for that purpose. When not in your room, keep your doors locked.

Interim Housing
Interim housing is defined as the availability of a living location during break periods when the halls are not open (winter & spring breaks). Students are eligible to contract for semester (winter) interim housing provided they have an assignment on file in the Campus Programming Office for the Spring Semester.
Interim sign-up for break periods begins approximately six weeks prior to the break. Consult the Campus Programming Office or your RD for the exact dates. Applications may be completed at the Campus Programming Office.

Once accommodations are confirmed for both semester (winter) and spring break interim housing, a $10 cancellation charge and a $25 late sign-up charge per application (including extensions on current applications) will apply. Fees are in place to encourage all students to make plans early, in order to ensure the proper numbers of staff persons are available during break periods.

Keys
When you check into your residence hall you are given keys for your room, suite or apartment, wing, and outside door. Regulations prohibit duplication of keys. If you lose them, talk with your RA or RD to purchase a replacement set. A charge of $25.00 per key is assessed for keys lost or not returned within ten days. A $50 fee will be assessed for core changes. Your door and windows should be locked whenever leaving your room. Conduct action will be taken against those individuals who repeatedly fail to carry their keys and request assistance to have their doors opened. **Custodial or maintenance staff may not unlock your door for your personal convenience.** A $5 charge will be assessed each time a staff member is required to unlock your door.

Laundry Facilities
Laundry facilities are available for use between the hours of 11 a.m. and 11 pm.

Leadership Development
Many opportunities exist for students to get involved in leadership roles and to enhance their skills. The purpose of these efforts is to provide support for the overall leadership development of students in the residence halls. One of these leadership opportunities is the Resident Assistant position. RA’s are student members of the residence hall staff. They plan hall activities and assist the Resident Director with the administrative functions of the hall. Through training, RA’s learn valuable life skills such as time management, conflict resolution, stress reduction, counseling and interpersonal communication skills. RA’s are recognized as student leaders, not only in the residence halls, but throughout the University community. The Residence Hall Association also provides leadership opportunities for students. This legislative body consists of executive officers, floor representatives and general members who meet on a regular basis and serve a variety of functions including setting a budget for hall funds, purchasing equipment for the halls, discussing and offering solutions for problems occurring within the residence halls, and planning and implementing hall activities. These meetings are open to all students. Members of the RHA may also serve on a variety of other committees which represent the residence hall systems interests and needs.

**Maintenance**
If during the course of the year maintenance is required in your room, you must contact the RA or RD to initiate a work order. The staff will be working toward developing an environment conducive to study; however, this can be accomplished only with the cooperation of all residents. Recreation rooms and lounges are recommended for large group activities. An easy guideline to remember is: If you are making a noise that disturbs another resident, you are making too much noise. It is recommended that blue sticky tape be used to hang items.*Note that it may stain so use at your own risk. Tacks, nails, and duct tape should not be used on the doors or walls. Plant hangers are not permitted in the ceiling.

It is important to properly space any posters or decorations on your wall due to flashover. Flashover is defined as the rapid spread of fire through a material that spans more than half of a wall and allows no fuel breaks. Hazardous materials (i.e. parachutes, fishnets, flags, and crepe paper) are not permitted to be hung from the ceiling. Any material which completely covers the length of the wall, or any other materials that are arranged so close to each other that a path of fuel spans the entire wall, can lead to flashover during a fire. Visitation
The University establishes a visitation hours policy for weekly inter-visititation privileges and requires all visitors to be escorted by hall residents to and from rooms. The right of a roommate to a reasonable degree of privacy must be given every consideration by those who have a guest. It is of paramount importance for roommates to discuss visitation and to arrive at a program acceptable to both. A resident's right to privacy takes precedence over the roommate's privilege to have a guest. The following visitation hours have been established to allow privacy for all residents:

- Sunday through Thursday: 11:00 a.m. – Midnight
- Friday and Saturday: 24-Hour Visitation
  (Escort rules apply)

1. When walking at night, travel in groups if possible. Always walk in well-lighted areas and do not take short cuts through dark or isolated areas.

2. If you feel threatened or think you are being followed, walk toward a well-lit or well-populated area. After reaching your destination, report the incident to your RA or RD, Campus Programming Office, or the Traill County Sheriff’s Office.

3. In public areas, do not leave your belongings unattended. Keep coats, book bags, purses, and other valuables with you at all times.

4. If you bring your bicycle with you to MSU, always keep it secured with an oversized chain or cable style bike lock. Licensing your bike with the Traill County Sheriff’s Office is also a good idea. This will help identify your bike if it is stolen.

5. If anything makes you feel uncomfortable or threatened, report it immediately to your RA or RD, the Campus Programming Office, or the Mayville Police Department.

Residence Hall Safety
1. Lock the door to your room when you are alone at night or sleeping.

2. Do not let strangers into your room. If someone tries to force their way into your room notify an RA or RD immediately.

3. Do not give your name or phone number to strangers.

4. Do not loan your room key or outside door key to anyone.
5. When going out, let your roommate or a friend know where you are going and what time you expect to be back.

6. Lock the door to your room every time you leave (even for a few minutes).

7. Close and fasten your windows when you leave your room. This protects you from theft and inclement weather.

8. MSU does not carry insurance to protect student property. Residents are encouraged to provide their own insurance against loss of or damage to personal possessions.

9. Keep a record of all the serial numbers of all your belongings so that if something is lost or stolen is found the police will be able to identify it.

10. Don't advertise your valuables or keep large sums of money in your room.

11. Never let an unauthorized guest into the building.

12. Under no circumstances should you prop any exterior doors open.

13. Report any unescorted strangers in your building to any RA or RD.

14. Do not store any gasoline-powered vehicles or equipment (mopeds, motorcycles, barbecue grills, etc.) in the residence hall.

18. Fireworks, firearms, and other weapons are not allowed in the residence hall.

19. The fire extinguishers are placed in the residence hall for your safety. Do not tamper with them.

20. If the fire alarm sounds, leave the building immediately. Do not pull the fire alarm unless there is a fire in the building. Tampering with the fire alarm system (false alarm) is illegal and serious disciplinary actions may be taken against you.

21. Notify a RA or RD if you receive an obscene phone call. Do not talk to the caller. Hang up
immediately.

22. During severe weather, be alert for a tornado or winter storm warning. If a warning is sounded you should immediately take cover in a sheltered area.

23. Do not attempt to remodel your room. If you have plumbing, electrical, or structural problems in your room, notify your Hall Director immediately.

25. If you observe any hazardous conditions in your residence hall, notify a RA or RD.
Residence Hall Conduct System Structure

The Conduct System at MaSU has a shared responsibility with the University administration to:

1. Protect the rights of students

Conduct offenses addressed by the Resident Director may be appealed to the Director of Student Life. Director of Student Life conduct decisions may be appealed to the Vice President of Student Affairs. Second time offenders may choose to have their case heard by the Director of Student Life rather than the Resident Director.

All of the above offenses listed are offenses directly referred to in the MaSU Code of Conduct or, because of their nature, in addition to what is presently defined by the Code of Conduct in the Student Handbook. A student can assume that consistent with the teaching purpose of sanctions, students should expect that sanctions will become more severe for repeated offenses.

Procedural Guidelines for Residence Hall Complaints

The goal of the residence hall conduct system is to help students understand how their behavior impacts others and affects the community at large. This system encourages a constructive dialogue between the resident and hall staff, resulting in an opportunity for the resident to explain his/her situation and for the staff to explain why certain behavior is or is not appropriate in a residence hall setting. The end result of this process is an increased understanding between resident and staff. Periodic anonymous surveys will be done to evaluate the effectiveness of this process. The following is a procedural guideline for handling a residence hall complaint:

**Complaint is Filed Regarding Student Behavior:**
1. Student or staff member files complaint on an incident report
2. The date and time the complaint is received will be noted on the incident report
3. The Resident Director schedules a time for the student to meet with them
4. The student receives the hearing notification through the student’s campus mailbox or via email. Ignoring e-mail/mail pick-up notices will not delay the hearing process. Students are responsible for picking up/checking mail or e-mail on a daily basis when at all possible.

RESIDENCE HALL EMERGENCY STORM EVACUATION PROCEDURES AND SHELTER IN-PLACE

For safety of our students, please adhere to the following evacuation procedures in the event of an emergency (i.e. tornado, etc.):

Shelter In-Place: All Areas
When faced with severe weather conditions such as tornados, designated areas within campus buildings or residence halls provide protection from the effects of high winds and flying debris.
Moving personnel to these protected interior areas is referred to “shelter in-place.” Generally, these areas are: away from windows, away from glass doors, in interior rooms (or closets) without windows, and are at the lowest possible level within the structure. When notified by Residence Life staff or other authority to shelter in-place, seek shelter immediately within the nearest building and await further instruction regarding the pending danger. Do not venture out to determine if the inclimate weather conditions have subsided—designated staff will alert you that conditions have improved or are all clear.

Residence Hall Procedures for Tornado Warnings
For the safety of our students, please adhere to the following procedures in the event of an emergency (i.e. tornado) that requires shelter.

DURING FALL AND SPRING SEMESTERS

MAYVILLE STATE UNIVERSITY students residing on campus should utilize the following designated storm shelters in the event a serious storm or tornado warning is issued for our immediate area:

AGASSIZ HALL – Basement of Agassiz Hall
BERG HALL – Basement of Agassiz Hall, interior hallways of Berg or basement of Campus Center
BIRKELO HALL – Stairwells of Birkelo Hall or basement of Agassiz Hall.
MARRIED/FAMILY HOUSING UNITS – go to any of the above mentioned areas

DURING SUMMER MONTHS

The Resident Director who oversees the building you are residing in will have keys that an get you into the basement of Agassiz Hall. Unfortunately, no guarantees can be made assuring you that these people will be available during the time when a potential storm hits. Alternate plans should be made in advance for precautionary purposes.

FIRE AND FIRE ALARM PROCEDURE

A building fire evacuation alarm is sounding.
An uncontrolled fire or imminent fire hazard occurs in any building or area of the campus.
There is the presence of smoke or the odor of burning.

Evacuation Procedures
Campus buildings shall be evacuated whenever the building evacuation alarm is sounding.

When it is determined that a fire emergency exists, the following actions are to be taken.

All students, faculty and staff are required to leave the building and remain outside until the emergency is over. No one shall restrict or impede the evacuation. Mobility impaired persons are directed to the nearest stairway and are to wait to receive assistance from a “good Samaritan” or emergency personnel. If hearing or visually impaired persons need assistance, occupants may choose to render aid. If individuals are unable to assist others, then they should exit the building and provide information to emergency responders about the location of others still in the building.

If you are in a room with the door closed, feel the door/doorknob prior to opening the door to determine if the fire is on the other side of the door. If there is heat, seek another exit or signal from a window. Use a towel, sheet, cloth, or anything that will signal that you are in the room.

If you are trapped in a room, use the phone to call for help.
