The President

The president is the chief executive officer of the institution and a member of the Chancellor's executive staff. The president is responsible to the Chancellor for all matters concerning the institution and is an advisor to the Chancellor in matters of inter-institutional policy and administration. The President is the chief spokesperson for the university.

The State Board of Higher Education (SBHE) delegates to the president of each institution full authority and responsibility to administer the affairs of the institution in accordance with SBHE policies, plans, budgets, and standards, including the management and expenditure of all institutional funds, within budgetary and other limitations imposed by law or by the board. (See NDUS policy 305.1)

Presidential responsibilities include the following areas:

**Planning**
The preparation and implementation of both short and long range plans related to institutional goals, academic programs, teaching methodology, research, public service, and the development of the financial, human and physical plant resources to accomplish Board approved goals and objectives for the University.

**Policy Making Procedures**
The development, use of, and monitoring of administrative organization and policy making structures for the maximum utilization of resources; providing for significant opportunities for involvement of the various University constituencies (faculty, staff, student, alumni, etc.) in these policy making procedures.

**Personnel**
The recruitment, selection, professional development, promotion, termination, and evaluation of faculty and staff to achieve the goals of the institution.

**Business Affairs**
The preparation of the biennial and annual salary and general operating budgets and the presentation of these spending plans for approval to various internal and external agencies, including the appropriation hearings of the legislature. The supervision of the allocation process of appropriated funds and local funds in compliance with the policies of the Board and the state of North Dakota.

**Plant Facilities**
The construction, remodeling/renovation, and maintenance of the physical plant facilities and necessary equipment to support the academic mission of the University.
