

Mayville State University

International Student Fact Sheet

Mayville State is proud to help students achieve their educational, professional, and personal goals at an extremely affordable price. The combination of MSU's affordability and its unique offerings makes it a Best Midwestern College, as designated by the Princeton Review. MSU was also named one of the 2013 Top Three Best Public Universities in the Midwest by the U.S. News and World Report Report.

Personal Service

We pride ourselves on being just the right size to give students the time they deserve. Our average class size is 15.

Opportunity

You'll have the chance to develop your leadership skills, which will help you succeed in your career after graduation. You can participate on intercollegiate sports teams, activities, and clubs that will help you succeed in college and in your career. Activities include theatre, band/choir, Campus Crusade, Science Club, Comet Radio, student government, intramural sports, and more.

Success

Our students get jobs. Period. We also have internship opportunities to give you real, hands-on learning experiences and make your resumé stand out. Job placement rates are consistently 96-98%!

"Suite" Dorm Life

MSU's largest residence hall, Agassiz Hall, has been completely transformed to provide apartment- and suite-style living accommodations with 2-or-4 person bedrooms. Facilities feature private baths and spacious furnished living rooms.

We want you at Mayville State University! MSU is one of the most technologically connected campuses in the USA. You can look forward to constant use of a notebook computer (complete with CDR/DVD) and all the assistance it takes to become a fluent computer technology user. In fact, you will graduate with an Information Technology certificate!

Our enrollment is approximately 1,000 students, so our focus can be on you. MSU's student to faculty ratio is 15-to-1. Our students can be very involved on campus. True personal attention for each student is our mission.

We may have scholarships for you. Academic and athletic scholarships are available for international students. Please complete all of the International Student Application requirements by April 1st for priority admission for fall semester and by October 1st for spring semester. We truly hope you'll become part of our MSU family.

Technology

Mayville State is a leader in the use of technology to enhance the quality and flexibility of your education. As the nation's first Tablet PC campus, we issue a Tablet PC computer to every full-time student. There's no need for computer labs because every student has a portable computer and wireless high-speed internet access.

Mayville-Portland Communities

The communities of Mayville and Portland are located in the beautiful Red River Valley along the serene Goose River in Traill County, North Dakota. "Country living" with all of the advantages of an urban community can be found here: progressive communities, a great educational system, recreation facilities for people of all ages, safe environment, wide variety of housing and excellent city services.

Our ideal location makes it possible for residents to travel to the larger cities of Grand Forks in only 40 minutes or Fargo in only 60 minutes. Our heritage is agriculture, but we have also established information technology, manufacturing, and health services as an integral part of our diverse economy. For more information, visit www.mayvilleportland.com.

MSU is located between Grand Forks and Fargo, North Dakota just 10 miles off Interstate 29.
