**Magic Genie**
This kit includes:
- Hydrogen peroxide
- Potassium iodide
- Graduated cylinder
- Filter paper
- Volumetric flask
- Instructions

---

**Catalytic Spectrum Show**
This kit includes:
- Ammonium molybdate
- Hydrogen peroxide solution
- Sodium acetate
- Sodium hydroxide solution
- Sodium thiosulfate
- Universal indicator solution and color charts
- Instructions

Materials the kit does not include:
- Balance
- Distilled water
- Erlenmeyer flask 1000 mL
- Erlenmeyer flasks (3-500 mL)
- Graduated cylinder (10 mL, 2-50 mL, 250 mL)
- Magnetic stirrer and stir bar
- Marking pen
- Timer
- 3 weighing dishes

---

**Thermodynamic s In A Bag**
This kit includes:
- Ammonium nitrate
- Zipper-lock bags
- Pipette
- Barium hydroxide

Materials this kit does not include:
- Tap water
- Scoop
- Spatula or spoon
- Thermometer (optional)
