COMETS Baseball

Comets Baseball Tradition

One of the most heralded and respected baseball coaches in America, Scott Berry runs one of the most outstanding college baseball programs in the nation. A member of four halls of fame and an active participant in local, regional, and national baseball organizations, Berry has kept Mayville State on the collegiate baseball map for over three decades.

In 30 years since becoming the Comets head coach in 1982, Berry's teams have won 21 conference championships (17 consecutive), 18 conference playoff championships, and 21 appearances in the national playoffs (18 of the last 21 years). He personally earned NAIA District 12 or Region III Coach of the Year honors on 12 different occasions and conference coach of the year 21 times, including the 2011 DAC Coach of the Year award.

In 2009, Berry was named to his fourth Hall of Fame by being inducted into the CHRISTian Sports Commission Hall of Fame. Most recently Berry became the 3rd vice president of the American Baseball Coaches Association (ABCA).

New Facilities

The Comet baseball team has recently enjoyed facility upgrades. Scott Berry Field, as well as the indoor hitting and pitching facility and locker rooms have been renovated. Additionally, the Comet Strength weight room underwent significant upgrades. It now measures 5,940 square feet.

Successful

We are successful because we work a little harder than anybody else. We want hard work to be a major staple of our team. We have always set the bar high for our Comet baseball team at Mayville State University. Our goal at MSU is to compete for a national championship, and we will continue to work relentlessly to reach that goal.
