

Science in a Nutshell

Electrical Connections

Description: Explore how electrical energy is transferred. Test a variety of electrical conductors. Build 4 different types of circuits and create 2 battery-powered games.

Includes:

- Activity Guide
- Activity Journals
- Batteries
- Battery Holders
- Bulb Holders
- Cardboard
- Electrical Clips
- Fasteners, round head
- Flashlight bulbs
- Thumbtacks
- Wire, insulated
- Wire, uninsulated
- Wood Block
