

Science in a Nutshell

Our Changing Earth

Description: Explore Earth processes and what causes changes in Earth's surface. Model landforms, crustal movement, earthquakes, then create a volcanic eruption!

Includes:

- Activity Guide
- Activity Journals
- Cups, foam
- Foam pieces
- Food Coloring
- Funnel
- Masking Tape
- Ribbon
- Modeling Clay
- Rope
- Plastic Tray
- Plastic Tubing
- Plastic Tumbler
- Volcano Pattern
