

Science in a Nutshell

Wheels at Work

Description: Test different types and properties of wheels, explore both rotating wheels and wheel-and-axle units, show how wheels transfer energy, and design a working wheeled machine.

Includes:

- Activity Guide
- Activity Journals
- Disk, Styrofoam
- Dowels, 2 sizes
- Jar lids, 2 sizes
- Marbles
- Modeling clay
- Paper cups
- Paper plates
- Sandpaper
- Skewers
- Spring Scale
- Vial with base
- Washers
- Wheels
- Wooden car
