This Bachelor of Applied Science degree is designed to provide a flexible, transfer-friendly approach to specifically serve the needs of students who have earned Associate of Arts, Associate of Applied Science or Associate of Science degrees. A previously earned A.A., A.A.S. or A.S. degree will transfer as a block and students will complete a capstone-type program in business administration. Program requirements include 36 semester credits of essential studies, 37 semester credits of major core requirements, and 15 semester credits of supporting course work.

Students must earn 120 semester credits for a baccalaureate degree. A minor is not required for this program.
