**Recommended: UNIV 100 is recommended for all freshmen as well as transfer students entering MaSU with <24 semester credits.**

\*Refer to information on each major for Essential Studies requirements specific to the major. Please be aware that minimum course grades may be required and that additional Essential Studies courses may be required if the student's major or minor changes.

\*\***Note on Transferred Courses:** Anoka Ramsey Community College courses that satisfy expectations of course content for the specific MaSU 300-level courses indicated will transfer for those MaSU courses as non-upper division credits towards the total of 120 semester credits required for graduation. The 200-level transfer courses cannot count as true 300-level courses towards the 30-semester credit upper division courses requirement for a bachelor's degree.
