### Use of Artificial Intelligence in this Course

You may use AI programs e.g. ChatGPT to help generate ideas and brainstorm. However, you should note that the material generated by these programs may be inaccurate, incomplete, or otherwise problematic. Beware that use may also stifle your own independent thinking and creativity.

You may not submit any work generated by an AI program as your own. If you include material generated by an AI program, it should be cited like any other reference material (with due consideration for the quality of the reference, which may be poor).

Any plagiarism or other form of cheating will be dealt with severely under relevant MaSU policies.

This course encourages the responsible use of Microsoft Copilot as a learning aid and professional development tool. Students are expected to use Copilot ethically and transparently, following professional business standards. All AI usage must be documented, and students must be able to explain and defend their work. Specific guidelines for each assignment will be provided.

### Course Description

An introduction to the dramatic works of Shakespeare. English 360 focuses on Shakespeare as a playwright as well as Shakespeare as a body of collected works as represented in the First Folio and the Sonnets. This course introduces

# Mayville State University

students to Shakespeare's plays and to a productive approach to interpreting them. Examples of comedies, tragedies, and histories are studied, each with consideration of applications, materials, and approaches useful to secondary teaching.

**Pre-requisites:** ENGL 120 or ENGL 125, or instructor's consent.

## Course Objectives

To successfully complete this course, the learner will be expected to meet the following objectives, as aligned to English Education Program Approval Standards through North Dakota's Education Standards and Practices Board (ND ESPB):

- To identify the key themes and concepts in Shakespeare's work (both in the original plays and film adaptations)
- To learn how to review films for a specific audience, purpose, and medium
- Analyze plays and films using specific textual evidence
- Interact with and apply secondary sources
- To describe major schools of literary theory and apply them to texts (plays and films)
- To analyze plays and films as reflections of their historical and cultural moments

## Standards Alignment (English Education Program Approval Standards-ND ESPB):

- 05020.1.1 Candidates are knowledgeable about texts—print and non-print texts, media texts, classic texts and contemporary texts, including young adult—that represent a range of world literatures, historical traditions, genres, and the experiences of different genders, ethnicities, and social classes; they are able to use literary theories to interpret and critique a range of texts.
- 05020.3.1 Candidates use their knowledge of theory, research, and practice in English Language Arts to plan standards-based, coherent and relevant learning experiences utilizing a range of different texts—across genres, periods, forms, authors, cultures, and various forms of media—and instructional strategies that are

motivating and accessible to all students, including English language learners, students with special needs, students from diverse language and learning backgrounds, those designated as high achieving, and those at risk of failure.

- 05020.3.5: Candidates plan instruction that incorporates knowledge of language—structure, history, and conventions—to facilitate students' comprehension and interpretation of print and non-print texts.

## Course Expectations

### Instructor/Student Communication

Students are accountable for all academic communications sent to their Mayville State University email address.

I prefer that you contact me via email seven days a week from 7 am to 8 pm. I will get back to you within 24 hours with a response.

### Assignments and Assessments

All assignments are found in Blackboard as are all the assessments. Timeliness of submission is paramount. Work will be docked if late or in the wrong format. All written submissions must be attached as a WORD.doc.

# Mayville State University

Work submitted five days past the due date will be docked 10%: making an A grade impossible for this assignment.

If there are extenuating circumstances that might cause work to be submitted late, it is your responsibility to contact me (via email preferably) BEFORE the date due. We might be able to reach accommodation.

All students in this course are required to utilize the Writing Center 3 times during the semester. One of those times with the Writing Center should be for a major paper/assignment within ENGL 110, but the other 2 attempts can be for any assignment within any course.

## Evaluation and Grading

### Grading Policies

I strive to have all work graded and returned/posted to Blackboard within 1-week of the assignment being turned in. Please ensure that all assignments are submitted as a Word Document (docx) file.

I will accept and grade all late assignments; however, as stated earlier, any major assignment turned in later than 5 days from the due date cannot receive an “Excellent or A” grade. Part of work being considered excellent is timeliness.

**All work will be graded on 4 areas: grammar & usage, proper formatting, flow/style of writing, and relevance/keeping to the assigned prompt.**

Make sure that all work submitted is completed to your satisfaction, the correct file, and that the file is viewable within Blackboard (not corrupted). It is your responsibility to ensure that the submitted file is correct when submitting. You will not get extra time for the assignment if you submit the wrong file or a corrupted file; however, you will be able to submit the work under the late policy.

### Attendance/Participation Policies

I will take attendance every class period; however, you are not “graded” on attendance for this course. Students who show up to class, pay attention, and turn in work are the ones that 100% will pass the course with a grade of C or better; those that fall behind in attending the lectures and class sessions are also the ones who inevitably fail the course from lack of assignments turned in and/or poor assignment submissions.

When it comes to needing an excuse from a specific class period. Please reach out to me, by email, before class. I do not require you to have a doctor’s note for you to be excused from my class; I simply require you to communicate with me.

### Grading Scale
