No Text Required

### Course Description

This clinical course is designed for students who are earning a degree in special education and compliment coursework on a variety of learning disabilities. The course is a 60-hour field experience in a regional school or outside agency that serves individuals with learning disabilities. Students will apply course instruction with an individual with a learning disability. Students will implement the action research intervention plan and other course assignments as outlined in their accompanying methods course concerning learning disabilities. This course requires students to have an approved background check and liability insurance prior to the field experience.

**Pre-/Co-requisites:** No Pre-/Co-requisites are required.

### Conceptual Framework

Teacher Education courses are based upon the Conceptual Framework: Reflective Experiential Teacher. See the document 'Conceptual Framework' provided in the course shell.

### Course Objectives

To successfully complete this course, the learner will be expected to meet the following objectives, as aligned to the Advanced CEC Standards as adopted by [ND ESPB](#):

1. **Apply Theoretical Knowledge:** Students will demonstrate the ability to apply theoretical knowledge from coursework on learning disabilities to real-world scenarios by working directly with individuals with learning disabilities in a field setting. (CEC 2,3, CAEP A2.2)
2. **Implement Action Research:** Students will develop and implement an action research intervention plan tailored to the needs of an individual with a learning disability, as outlined in their accompanying

# Mayville State University

methods course. (CEC 4,5, CAEP A1.1)

3. **Evaluate and Reflect:** Students will critically evaluate the effectiveness of their intervention strategies and reflect on their experiences to identify areas for professional growth and improvement in supporting individuals with learning disabilities. (CEC 1,6, CAEP A1.1, A2.2)
4. **Professional Preparedness:** Students will complete all necessary pre-field experience requirements, including obtaining an approved background check and liability insurance, to ensure they are professionally prepared for their field experience. (CEC 6,7, CAEP A2.2)

## Standards Addressed in This Course

### Advanced Council for Exceptional Children (CEC) Standards:

- **Standard 1: Assessment:** Special Education specialists use valid and reliable assessment practices to minimize bias.
- **Standard 2: Curricular Content Knowledge:** Special education specialists use their knowledge of general and specialized curricula to improve programs, supports, and services at classroom, school, community, and system levels.
- **Standard 3: Programs, Services, and Outcomes:** Special education specialists facilitate the continuous improvement of general and special education programs, supports, and services at the classroom, school, and system levels for individuals with exceptionalities.
- **Standard 4: Research and Inquiry:** Special education specialists conduct, evaluate, and use inquiry to guide professional practice.
- **Standard 5: Leadership and Policy:** Special education specialists provide leadership to formulate goals, set and meet high professional expectations, advocate for effective policies and evidence-based practices, and create positive and productive work environments.
- **Standard 6: Professional and Ethical Practice:** Special education specialists use foundational knowledge of the field and professional ethical principles and practice standards to inform special education practice, engage in lifelong learning, advance the profession, and perform leadership responsibilities to promote the success of professional colleagues and individuals with exceptionalities.
- **Standard 7: Collaboration:** The program requires special education specialists collaborate with stakeholders to improve programs, services, and outcomes for individuals with exceptionalities and their families.

### Advanced Council for Accreditation of Educator Preparation (CAEP) Standards:

**Standard 1: Content and Pedagogical Knowledge:** The provider ensures that candidates for professional specialties develop an understanding of the critical concepts and principles of their discipline and facilitates candidates' reflection of their personal biases to increase their understanding and practice of equity, diversity, and inclusion. The provider is intentional in the development of their curriculum for candidates to demonstrate their ability to effectively work with diverse P-12 students and their families.

**Standard 5: Quality Assurance System and Continuous Improvement:** The provider maintains a quality assurance system that consists of valid data from multiple measures and supports continuous improvement that is sustained and evidence-based. The system is developed and maintained with input from internal and external stakeholders. The provider uses the results of inquiry and data collection to establish priorities, enhance program elements, and highlight innovations.

### North Dakota Education Standards and Practices Reading Standards:

**Standard 2: Knowledge of Diverse Reading Profiles, Including Dyslexia**

**Standard 3: Assessment**

**Standard 4. Structured Literacy Instruction**

- These standards will be covered on a needs base. Students in this practicum may or may not be working with a case study student with a reading disability.

## Course Expectations

### Instructor/Student Communication

- Email is the preferred method of communication, [carly.theis@mayvillestate.edu](mailto:carly.theis@mayvillestate.edu). I usually responds within 24-48 hours during weekdays. If you wish to contact me by telephone, please use the office number: (701)788-4821. Emails received on weekends will be responded to on Monday mornings.
- Reminder that you are able to schedule an appointment with me outside of the listed office hours.
- I will use Blackboard to post messages to all learners if needed. You are required to use your NDUS email address([your.name@mayvillestate.edu](mailto:your.name@mayvillestate.edu)) as it is the only way to ensure reliable communication between students and instructors. **Students are accountable for all academic communication sent to their Mayville State University email address.**
- It is the student's responsibility to contact the instructor with any questions they may have about course content in a timely manner. Contacting the instructor with questions about an assignment the day before or the day it is due is not appropriate demonstrating lack of planning and preparation.
- Feedback: You can expect to hear feedback regarding weekly assignments within 10-14 days of submission. Larger projects can take longer to review so expect feedback within 2 weeks of submission. Students are responsible for accessing the information and assignments as they are presented in Blackboard and the syllabus. It is the student's responsibility to monitor graded assignments. Checking the grade section of Blackboard is the best way to make sure that assignments have been submitted.
- Any student product such as an assignment or assessment that is emailed will NOT receive credit. All assignments or student products are to be uploaded to the appropriate spot in Blackboard in order to receive credit.
- Mayville's LMS Blackboard course site will be used to post messages to all learners as a group mailing whenever necessary.

### Assignments and Assessments

- **Read the syllabus in its entirety.** Knowing what is planned ahead is helpful for time management and allows you time to ask questions if you need any clarification.
- **Be prepared and complete assignments.** To successfully complete this course, all students are required to read and view all videos and complete assignments pertaining to each of the weekly modules. The entire course is available to you day one, but all weekly assignments are due by the following Sunday by midnight. The responsibility for your learning is shared by both student and instructor. Knowing what is planned and being ready with assignments and discussion topics allows you time to ask questions and complete your best work. Check for assignment due dates and other scheduled learning experiences so you can plan accordingly. Assignments are to be submitted electronically using Blackboard since the assignments route directly to the Gradebook. Always follow the submission guidelines. If assignments are not submitted by due dates and the instructor is not notified, a Starfish flag will be raised to alert you of your missing assignment.
- **Participate.** To be successful in this online course, your participation is required. Participation in an online learning environment includes taking part in class discussions as well as turning assignments in on time. Participation will result in stronger connections to theory and practice, adding to the quality of your learning experience. Check your MSU email and Blackboard for assignments and announcements.
- **Software Requirements:** Updated versions of Chrome, Flash Player, Adobe Reader, Quicktime, and Java. Students need MS Office or Viewers for PowerPoint and Word or Google Docs to view and create documents. All assignment documents need to be submitted as either a Word document or a PDF.

- **Be flexible, take risks, and ask questions!** In teaching, flexibility is the name of the game. While teachers need to be over-prepared in terms of instruction and assessment, they also need to be flexible and responsive to students' needs. The same is expected of you in this course. Be flexible, take risks, and ask questions! You are responsible for your own learning.
- **Adhere to the code of student conduct** found in the MSU Student Handbook: <http://www.mayvillestate.edu/about-msu/more-info/reports-policies/>. Each student is responsible for reading the handbook and following expectations set forth by the University.
- **APA Format (AMERICAN PSYCHOLOGICAL ASSOCIATION).** Any papers that include research references must include a working bibliography in APA format. The APA Formatting and Style Guide: <http://owl.english.purdue.edu/owl/resource/560/01>.
- **Disability Support Services.** Students with disabilities who believe they may need an accommodation in this class are encouraged to contact Disability Support Services (788-4675) as soon as possible to ensure that accommodations are implemented in a timely fashion.

## Liability Insurance & Background Check (Required- NO points)

**Due: Prior to the first student contact time**

All students from MSU in a field experience, internship, student teaching, or other role that places them in a school setting and/or working with children must provide evidence of liability insurance. In the drop box titled "Evidence of Liability Insurance", provide evidence that current liability coverage is in place (e.g., copy and paste email confirmation with transaction and ID numbers, scan a membership card, receipt or other signed insurance documentation). Fingerprinting is required for all students taking any course that includes a practicum. Proof of a passed background check is required prior to official admission in the teacher education program and prior to contact time in clinical settings. Students are required to:

1. Request a fingerprinting packet from the Division of Education by emailing [education@mayvillestate.edu](mailto:education@mayvillestate.edu) or stopping by Office 116C.
2. Complete the fingerprinting process as stated in the obtained packet; and
3. Provide proof of a clear background check (via TaskStream) continuously through the program (background checks are valid for 18 months so more than one background check may be required)

**Professional Preparedness:** Students will complete all necessary pre-field experience requirements, including obtaining an approved background check and liability insurance, to ensure they are professionally prepared for their field experience. (CEC 6,7, CAEP A2.2)

## Contact Time (10 points)

**Due: December 13<sup>th</sup>**

Fulfill all of the required hours for the number of internship credits in which you are enrolled. Hours should include direct client contact time (time spent instructing or assessing students). Observing the mentoring teacher, collaboration with teachers, parents, and paraprofessionals, conducting of IEP/assessment meetings and designing the activities for each session will occur outside the hour requirement. One credit equals 30 contact hours. The attached time log must be scanned and submitted on Blackboard at the conclusion of the internship.

\*Choose 1 student with whom you will be working to carry out the assigned tasks below. All completed assignments will be submitted on Blackboard.

**Professional Preparedness:** Students will complete all necessary pre-field experience requirements, including obtaining an approved background check and liability insurance, to ensure they are professionally prepared for their field experience. (CEC 6,7, CAEP A2.2)

## Student Interview (20 points)

Due: December 13<sup>th</sup>

Candidates complete the appropriate evaluation student interview form for either elementary or secondary from the SPED 586 information handouts (examples available in Blackboard). Upload the completed form to Blackboard.

**Apply Theoretical Knowledge:** Students will demonstrate the ability to apply theoretical knowledge from coursework on learning disabilities to real-world scenarios by working directly with individuals with learning disabilities in a field setting. (CEC 2,3, CAEP A2.2)

## Curriculum Based Measurement (CBM) with Written Report (20 points)

Due: December 13<sup>th</sup>

Create and administer a curriculum-based measurement appropriate for the student's area of disability (for reading a Cloze, Maze or Oral Reading Probe; for writing a 3-minute probe using CWS; for math an informal math assessment-see the information packet). Scan & upload the completed CBM to Blackboard. Write an assessment report that documents the results of the CBM and provides instructional recommendations (see handouts from SPED 5XX and examples in Blackboard). Upload the written report to Blackboard in the drop box.

**Apply Theoretical Knowledge:** Students will demonstrate the ability to apply theoretical knowledge from coursework on learning disabilities to real-world scenarios by working directly with individuals with learning disabilities in a field setting. (CEC 2,3, CAEP A2.2)

**Evaluate and Reflect:** Students will critically evaluate the effectiveness of their intervention strategies and reflect on their experiences to identify areas for professional growth and improvement in supporting individuals with learning disabilities. (CEC 1,6, CAEP A1.1, A2.2)

## LD Lesson (20 points)

Due: December 13<sup>th</sup>

With your practicum student whom you are working with, you will teach an LD intervention/strategy-based lesson prepared in SPED 586; this is based on the student's individual needs and IEP goals.

- Submit the completed Lesson Plan
- Your cooperating teacher's written feedback on your lesson, and
- A 1 page reflection on the lesson

The Education Department's special education lesson plan template must be used for this assignment. Submit all 3 documents on Blackboard. A specific assignment sheet will be provided.

**Apply Theoretical Knowledge:** Students will demonstrate the ability to apply theoretical knowledge from coursework on learning disabilities to real-world scenarios by working directly with individuals with learning disabilities in a field setting. (CEC 2,3, CAEP A2.2)

**Implement Action Research:** Students will develop and implement an action research intervention plan tailored to the needs of an individual with a learning disability, as outlined in their accompanying methods course. (CEC 4,5, CAEP A1.1)

**Evaluate and Reflect:** Students will critically evaluate the effectiveness of their intervention strategies and reflect on their experiences to identify areas for professional growth and improvement in supporting individuals with learning disabilities. (CEC 1,6, CAEP A1.1, A2.2)

## Project LD Application (30 points)

Due: December 13<sup>th</sup>

In order to receive credit for this course, the Key Assessment must be completed and submitted. Students who do not meet acceptable targets for this key assessment cannot pass the SPED 587 course with a grade higher than C. There is an opportunity to redo the assignment if students communicate their desire to resubmit with the course instructor before finals week.

This project is a compilation of instructional strategies and techniques for students with many types of learning disabilities and will be implemented in this practicum course SPED 587. You will choose a digital presentation style to organize and submit the required components (website, Prezi, narrated PowerPoint, Word or PDF document/report etc..) and keep for use in your future teaching. You will implement one strategy and document the progress on one case study student. A written analysis is required with documentation to support any further action for student success A detailed assignment sheet will be provided.

**Apply Theoretical Knowledge:** Students will demonstrate the ability to apply theoretical knowledge from coursework on learning disabilities to real-world scenarios by working directly with individuals with learning disabilities in a field setting. (CEC 2,3, CAEP A2.2)

**Implement Action Research:** Students will develop and implement an action research intervention plan tailored to the needs of an individual with a learning disability, as outlined in their accompanying methods course. (CEC 4,5, CAEP A1.1)

**Evaluate and Reflect:** Students will critically evaluate the effectiveness of their intervention strategies and reflect on their experiences to identify areas for professional growth and improvement in supporting individuals with learning disabilities. (CEC 1,6, CAEP A1.1, A2.2)

## Dispositions Report & CEC Skills Evaluation Report (Required- No grade)

Due: December 13<sup>th</sup>

Every student who is working on a teaching degree or a credential must demonstrate proper dispositions to continue in the Teacher Education program. See the guidelines for Continuance in Teacher Education in the Mayville State University Catalog. The cooperating professional you are working with will be asked to complete a Dispositions Report at the conclusion of your internship. (Submitted via email from Division Administrative Coordinator). You must also complete the Council for Exceptional Children's Skills Evaluation Report.

**Evaluate and Reflect:** Students will critically evaluate the effectiveness of their intervention strategies and reflect on their experiences to identify areas for professional growth and improvement in supporting individuals with learning disabilities. (CEC 1,6, CAEP A1.1, A2.2)

## Evaluation and Grading

### Grading Policies

- Late work drops 1 point per day after the due date. The Blackboard Dropbox determines late work. The date assignments/quiz are submitted is bolded on the dropbox, and is the method used to determine if an assignment is late. The dropboxes close 10 days after the due date, and the assignment/quiz is no longer accepted.
- Please do not email your work, dropbox your work on Blackboard. If you have difficulty submitting, please make me aware of this through email or phone.
- Please plan ahead-don't wait until the last minute to hand in assignments. Each assignment is given sufficient time for completion. It is up to you to take advantage of this allotted time.
- Discussion Boards are not able to be made up if missed, review due dates, and make plans accordingly.

### Attendance/Participation Policies

Students are expected to attend and participate in class. Consistent engagement ensures that you stay up-to-date with announcements, discussions, and assignments. Your active participation in discussion forums is crucial. It allows you to share insights, learn from others, and deepen your understanding of the material. Students are expected to submit all assignments by the specified deadlines to help reinforce your learning and demonstrate your understanding of the material.

### Grading Scale

100-94%=A      93-87%=B      86-80%=C      79-70%=D      69-0%=F  
A: 120-113 pts.    B: 112-104 pts.    C: 103-96 pts.    D 95-85 pts.    F < 84 pts.

### Breakdown of Grades

Below you will find a breakdown of the assignments required for the semester with the number of occurrences, coordinating points, and percentage of the total grade.

Activity	No. of Occurrences	Points Possible
Contact Time	1	10
Student Interview	1	20
LD Lesson	1	20
Curriculum-Based Measurement with Written Report	1	20
Project LD Application	1	50

## Enrollment Verification

### Online Course Statement

The U.S. Department of Education requires instructors of online courses to provide an activity which will validate student enrollment in this course. The only way to verify that a student has been in this course is

# Mayville State University

if he, she, or they perform an action in the LMS, such as completing an assignment or taking a quiz. Logging into the LMS is **NOT** considered active course participation. Please complete the designated enrollment verification activity by the date indicated. If it is not complete your enrollment in this course will be at risk.

## Proctor Notification

No proctors are required for this course.

## Instructional Strategies

- Independent Study
- Questioning
- Direct instruction
- Discovery Learning
- Reflection
