## Q1 Employer Satisfaction Survey (MEd)

The Teacher Education Program at Mayville State University is in the process of evaluating recent graduates who earned a Master of Education degree in Special Education. The purpose of this survey is to collect data on how you feel Mayville State prepared our graduate to be a Special Education teacher. We will use the information you provide to gain valuable insights as we continue to improve our program. Your survey results will be anonymous and combined with all other responses for reporting. Your cooperation in completing this survey is greatly appreciated as we continue to develop thorough and accurate measures for data collection and analysis. Thank you!
