A Message from Mayville State University President, Dr. Gary Hagen

Dear Friends of Mayville State University,

Welcome to Farmers Bowl, the annual day-long festival honoring the region's agricultural way of life! Farmers Bowl began in 1995 and has become an annual highlight for the entire area. The day always includes a parade, corn on the cob and hot dog feed, football game featuring the Mayville State University Comets, and a charity auction. In recent years, a home volleyball game has sometimes been added to the mix. It is fitting to celebrate our agricultural way of life as we cheer on the Comets and support Mayville State University.

Your donations to the Farmers Bowl Auction create new opportunities for deserving students and help to make a college education affordable. Mayville State University depends on the generosity of its donors for scholarships and other awards. Your participation and contributions are appreciated very much. Your philanthropy helps to ensure the success of the next generation.

With 1,016 students enrolled, Mayville State topped its all-time first-day enrollment for the second straight year. We surpassed the 1,000-student mark for the first time in history last year. We are very proud of our faculty and staff for their hard work and dedication that helped to make this happen. With state funding for two major capital projects, we look forward to even more improvements on campus. In addition, the rehabilitation of historic Northwest Hall for use as an alumni center nearing completion. During homecoming festivities in a couple of weeks, you'll be able to go into the newly named Edson and Margaret Larson Alumni and Leadership Center for a "sneak peek." The official grand opening of the center will take place in June of 2014 during our special 125th anniversary Alumni Days celebration. Your support is instrumental in making all of this possible. Thank you for helping to keep our momentum going.

Thank you to our co-chairs for the Farmers Bowl, Lois Karlstad and Cheryl Angen. They have served on the committee for several years, and stepped up to lead the charge this year. They have done a fantastic job! We appreciate their tireless efforts and continued support for Mayville State University. We also thank the many other volunteers who work together to make the Farmers Bowl a success year after year. This is a great team effort!

A big thank you goes to Agassiz Drain Tile for sponsoring Farmers Bowl for the second straight year. When you have the opportunity, please be sure to thank Agassiz Drain Tile partners Ross Johnson, Derek Peterson, and Neal Johnson. Because of their generous monetary support, this year's Farmers Bowl activities will bring even greater benefits to Mayville State University and its students.

Thank you for joining us tonight. I hope you enjoy the evening and that you will bid high and often!

Sincerely,

Gary Hagen

Bidding Procedures & Information

Registration

All individuals should register at the cashier's desk upon arrival. A bidding number will be assigned and final instructions will be shared at that time.

Silent Auction

Each item has its own bidding sheet. When bidding on silent auction items, place your bidding number, your last name, and the amount of your bid in the appropriate columns. You may raise your bid as often as you wish, until the closing time is announced. All silent auction items have a minimum bid raise amount noted on the top of the bid sheet. Silent bids may not be withdrawn once submitted. High bidders may pick up their items after they have paid for them at the cashier's desk.

Live Auction

The auctioneer conducts the live auction and has the final word on an auctioned item. Hold your bidding number up high when you wish to bid on a live auction item.

Sales and Certificates

Please read your catalog carefully! All trips, items, and services must be used during the designated dates and within guidelines. In the case of dinners by private individuals, arrangements must be made so the times will be convenient for both the donor and the auction item winner. Some auction items are represented by certificates for products or services and must be presented to the donor to redeem the services or products. Please be sure to pick up your designated certificate(s).

Passengers on her maiden voyage included some of the wealthiest people in the world, as well as hundreds of emigrants from Europe who were seeking a new life in North America. You too can be treated to a first-class evening when your group of eight becomes the first to dine in Mayville State's Larson Alumni and Leadership Center, built in 1911, about the same time as the Titanic. You're encouraged to dress the part and enjoy a black tie affair with your hosts, the MSU Alumni Association board. Your dining experience will be complete with musical entertainment provided by the fabulous John Klocke. Taxi service available. This dinner will go down in history as the first party held in Mayville State's new first-class alumni center.
And on what might first-class guests expect to dine? As on the high-class ship, oysters, followed by soup, and courses of meats and vegetables, will make up the luxury fare. Wine pairings make each course complete. An epic dessert will top off the meal.
Choose a Friday or Saturday evening, April 4, April 5, April 11, or April 12 of 2014, for your grand dining experience. Arrangements can be made by calling Alumni Assoc. board member Pam Soholt at 701-788-4729.
So here's to the passengers of the RMS Titanic, and to the fabulous alumni and friends of Mayville State, past and present. Lift a glass (and then another and another) and eat five courses in their honor.
Bid high to purchase your ticket to a historic evening. A first-class ticket on the maiden voyage of the Titanic went for \$4,500. That translates to \$125,000 today. Your maiden voyage at the new MSU alumni center is priceless!

L-62 The "Big-5" Reverse Auction

Sometimes this kind of auction is called a backwards auction, because in a regular auction, the top bidder wins. In this auction, every single bidder wins ... the top bidder, the bottom bidder, and every bidder in-between. Every bid wins! It's a way for each and every one of us here tonight to answer the question - "How much am I willing to bid to help a special young man or young woman from our area get an academic honor scholarship?" Decide what your bid to help a student will be, and raise your hand when the bidding gets to you! All bids are added together to make a grand total of scholarship dollars that are separate from the other event proceeds tonight. The amount raised in the "BIG-5" Reverse Auction will generate five \$1,000 academic scholarships for the 2014-2015 academic year. Your name will appear on a certificate given to the students who receive this scholarship.

PLAY THE FARMERS BOWL & GOLDEN TICKET RAFFLE!

The Farmers Bowl committee has taken on the role of eccentric chocolatier Willy Wonka tonight. As you may recall, Wonka once hid golden tickets in five chocolate bars. Discovery of a golden ticket would grant the owner with passage into Willy Wonka's factory and a lifetime supply of confections.

Members of the Mayville State women's basketball team will be selling 125 chocolate bars for \$5.00 each, beginning at approximately 8:30 tonight. Hidden under the wrappers of five of the bars are golden tickets. Will you find the ticket of Wonka's young friends Augustus Gloop, Violet Beauregarde, Veruca Salt, Mike Teavee, or Charlie Bucket? Take a chance, and soon you will see! And even if you aren't lucky enough to find a golden ticket, you'll have a wonderful chocolate bar to keep you happy.

Thank you to Ted and Lois Karlstad of Mayville for donating the chocolate bars for the raffle.

Augustus Gloop:

Augustus is the obese, gluttonous boy who, after meeting the Oompa Loompas in Wonka's Chocolate Room, falls into the chocolate and is sucked up by a pipe and eliminated from the tour.

Find Augustus' ticket, and your prize will be ... a jar filled with Willy Wonka's favorites, SweetTarts, Nerds, Laffy Taffy, and Everlasting Gobstoppers; and a one-hour massage donated by Sharon Peterson

from Sharon's Massage Therapy in Mayville. We figure you're going to need it, after being sucked up by a pipe!

Violet Beauregarde:

Violet is the record-breaking gum chewer who chews a piece of experimental gum and blows up into a blueberry while visiting the Inventing Room at Willy Wonka's factory. She too is eliminated from the tour.

Find Violet's ticket, and your prize will be ... What else? Bubble gum and chocolate covered blueberries!

Veruca Salt:

Veruca is a spoiled brat. She demands a squirrel from Wonka's Nut Room, but when he refuses her entry to the room, she invades the room and is attacked by the squirrels who judge her a bad nut and throw her down the garbage chute, thus eliminating her from the tour.

Find Veruca's ticket, and your prize will be ... an assortment of Godiva chocolates,

including a dark chocolate almond bar and milk chocolate cashews. Spoiled as she is, it is a "given" that Veruca enjoys Godiva chocolates, even though she is a bad nut.

Mike Teavee:

Mike is an aspiring gangster who is unhealthily obsessed with television. After his ride in the Great Glass Elevator to the Television Room at Willy Wonka's factory, Mike accidentally shrinks himself to a few inches tall using a teleporter Wonka invented. He is the fourth child eliminated from Wonka's tour.

Find Mike's ticket, and your prize will be ... a bottle each of ChocolatRouge dark

red wine and fine red wine and a bottle of chocolate martini mixer. You're probably going to need a drink when you realize you are no bigger than a mouse!

Charlie Bucket:

Charlie is a young boy from a penniless, starving family. He longed for chocolate to satisfy his hunger. He read the papers and took note each time another self-centered bratty child found a ticket. He eventually found a ticket of his own and joined the others on the tour of Willy Wonka's factory. Being the last child left on the tour, Charlie wins the prize, the factory itself. Charlie and his family lived out the rest of their lives in the factory.

Find Charlie's ticket, and your prize will be ... A tray of some of the best chocolates around, from Widman's Candy of Grand Forks, N.D. And so that you, too, may experience the dream of living in a chocolate factory, a chocolate fountain, provided compliments of Pam Braaten, Portland, N.D., will be yours to enjoy in your own home. Have fun!
