## GETTING INVOLVED AT MSU IS FUN.

Living on campus gives you the chance to meet tons of new people and develop lasting friendships. Hey, you live with these people—you get to know them. Campus residents also have the opportunity to take part in Residence Hall Association events.

Each hall is equipped with live-in professional and student staff who are available to all residents. They are here for advice, referrals, or simply when you need someone to talk to.

Safety and security are a number-one priority for all of our halls and apartments. You (and your parents) can rest comfortably knowing there's a staff of security and residence hall staff keeping an eye on things.

### TO PURSUE FINANCIAL AID AT MSU

1. Complete the Free Application for Federal Student Aid (FAFSA) online at [www.fafsa.gov](http://www.fafsa.gov).
2. Complete the application by March 15 to meet MSU's priority registration date. If the application is processed after March 15, your award could be limited to the financial aid that is available at that time. Be sure to list MSU's federal school code of **002993** on your application.
3. Once the application is processed, MSU will receive your FAFSA information and will make every effort to provide adequate financial assistance.

Please contact the Admissions Office to discuss scholarship and financial aid opportunities in further detail. Residents of North Dakota and Minnesota are eligible for Honor and Leadership Scholarships. Residents of other states and provinces may qualify for Non-Resident Merit Scholarships. All scholarships for new students are based on past academic performance and potential. In addition, the MSU Foundation provides financial support through scholarships that are awarded based on specific criteria. Interested students should complete the scholarship application form available online at [www.MayvilleState.edu/ScholarshipApplication](http://www.MayvilleState.edu/ScholarshipApplication).

In order to be considered for admission, freshman applicants must meet the following requirements:

- A cumulative high school grade point average of at least 2.0, an ACT composite score of at least 18 (or equivalent SAT), and completion of College Prep Core Requirements.

The North Dakota University System College Preparatory Core Requirements include the following:

- 4 units of English
- 3 units of Mathematics (Algebra I and above)
- 3 units of Laboratory Science
- 3 units of Social Studies

These are required for unconditional admission.

- Applicants who do not meet the ACT/SAT requirements listed above, but who have met the 13 college preparatory course requirements may be considered for unconditional admission if they have a balance of ACT/SAT scores and GPA as indicated below:

- 3.00-4.00/ACT 15
- 2.50-2.99/ACT 16
- 2.25-2.49/ACT 17

These are considered guidelines and do not guarantee admission.

- Students who do not meet the guidelines listed above because they have not completed the 13 college preparatory course requirements or because they do not have the required combination of ACT/SAT scores and GPA, would still be encouraged to apply. Their applications will be reviewed individually and more comprehensively. Such applicants may be admitted with conditions that will be determined based on their specific situations.

To apply for freshman admission for the upcoming academic year, submit the following:
