

Application for Head Start/Early Head Start Program

Attached you will find a copy of the application for enrollment. Please complete the entire application sign, date and return in the enclosed business reply envelope. Enrollment is based on the child's age and the family's income. In order to complete the application process the following information needs to be submitted:

- ☐ Complete Application Form
- ☐ Copy of your Child's Birth Certificate
- ☐ Copy of Income Verification

(Income Tax Form 1040 or W2 forms from previous tax year, pay stubs, written statement from employer, disabilities benefit, letter showing current status of public assistance, foster care payments or financial aid statements.)

A percentage of over-income families may be accepted each year depending on the income levels of other applicants. If you feel your family will not fall within the Federal income guidelines, please still complete the application process.

Within 7-10 days of the enrollment office's receipt of your completed application packet, you will be notified by phone, mail or email to inform you of the status of your family's application. If the all supporting documentation is not submitted with the application, your family will not be put on the waiting list until it is received.
