Business Management

Associate of Arts On-Campus or Online

Personal Service

We pride ourselves on being just the right size to give students the time they need to be successful. Our average class size is 15, so you will have small, personalized class settings with a technological focus for you to receive the education that you deserve. Your professors will introduce you to new ways of thinking, explore issues creatively, and evaluate ideas as you engage in the world.

Flexible

You can complete the Associate of Arts degree in Business Management competely online. Life experience credit may be available for prior work and personal learning experiences. You may enroll as a part-time or full-time student, and you may begin enrollment in either the fall, spring, or summer semesters.

Success

Our graduates find jobs in finance, operations, sales, administrative areas, human resources, accounting, marketing and entrepreneurship.

They work in North Dakota, Minnesota and across the entire country at Microsoft, US Bank, Alerus, Bremer Bank, Amazon, Blue Cross Blue Shield of North Dakota, at various regional colleges and much more.

Value

The combination of MSU's affordability and its unique offerings make it a Best Regional College, as designated by the Princeton Review. This selection process is based on meeting criteria for academic excellence as well as results of surveys done by current MSU students.

Financial aid is available in the form of grants, loans, and scholarships.

The Program

The program stresses a generalist understanding and application of the nature of business in today's and tomorrow's world of employment. Graduates will be prepared to take entry-level positions.

Upon completion of the two-year degree, students will have completed the essential studies requirements and several core business requirements of a four-year degree. All classes will transfer to a baccalaureate program at Mayville State University.

Advantages

Convenient. You can complete the A.A. degree program on the Mayville State campus or remain near your home, work and family by completing it online.

Flexible. The A.A. program will give you a foundation of business coursework to get you started on the job. This program also gives you the option to continue your education by pursuing a 4-year degree - now or later.
