A Message from Mayville State University President, Dr. Gary Hagen

Dear Friends of Mayville State University,

Welcome to Farmers Bowl, the annual festival honoring the region's agricultural way of life! Farmers Bowl began in 1995 and has become an annual highlight for the entire area. It is fitting to celebrate our agricultural way of life as we cheer on the Comets and support Mayville State University.

Your donations to the Farmers Bowl Auction create new opportunities for deserving students and help to make a college education affordable. Mayville State University depends on the generosity of its donors for scholarships and other awards. Your participation and contributions are appreciated very much. Your philanthropy helps to ensure the success of the next generation.

With 1,081 students enrolled, Mayville State topped its all-time fall semester enrollment for the third-straight year. We are very proud of our faculty and staff for their hard work and dedication that helped to make this happen. Construction of a campus drainage system is complete, and because of this, the east side of the campus has been improved and looks great! Our first-ever alumni center is open. The Edson and Margaret Larson Alumni and Leadership Center is now "home" to Mayville State alumni and friends.

Over the last year, we've enjoyed several celebratory events marking Mayville State's 125th anniversary, which officially takes place tomorrow, November 2, 2014. Tonight's auction will be the grand finale to a year of celebrations. We have much to celebrate, so enjoy!

Thank you to our co-chairs for the Farmers Bowl, Lois Karlstad and Cheryl Angen. They have served on the committee for several years, and have stepped up to lead the charge the last two years. They have done a fantastic job! We appreciate their tireless efforts and continued support for Mayville State University. We also thank auctioneers Wayne Trottier and Butch Lovas and the many other volunteers who work together to make the Farmers Bowl a success year after year. This is a great team effort!

A big thank you goes to Agassiz Drain Tile for sponsoring Farmers Bowl for the third-straight year. When you have the opportunity, please be sure to thank Agassiz Drain Tile partners Ross Johnson, Derek Peterson, and Neal Johnson. Because of their generous monetary support, this year's Farmers Bowl activities will bring even greater benefits to Mayville State University and its students.

Thank you for joining us tonight. I hope you have a great time and that you will bid high and often!

Sincerely,

A handwritten signature in cursive script that reads "Gary Hagen". The signature is written in black ink on a light-colored background.

Bidding Procedures & Information

Registration

All individuals should register at the cashier's desk upon arrival. A bidding number will be assigned and final instructions will be shared at that time.

Silent Auction

Each item has its own bidding sheet. When bidding on silent auction items, place your bidding number, your last name, and the amount of your bid in the appropriate columns. You may raise your bid as often as you wish, until the closing time is announced. All silent auction items have a minimum bid-raise amount noted on the top of the bid sheet. Silent bids may not be withdrawn once submitted. High bidders may pick up their items after they have paid for them at the cashier's desk.

Live Auction

The auctioneer conducts the live auction and has the final word on an auctioned item. Hold your bidding number up high when you wish to bid on a live auction item.

Sales and Certificates

Please read your catalog carefully! All trips, items, and services must be used during the designated dates and within guidelines. In the case of dinners by private individuals, arrangements must be made so the times will be convenient for both the donor and the auction-item winner. These items must be used within one year of the auction, unless otherwise designated. Some auction items are represented by certificates for products or services and must be presented to the donor to redeem the services or products. Please be sure to pick up your designated certificate(s).

Payment and Pick Up

Successful bidders in the silent and live auctions should pay for their items at the cashier's desk. All items must be paid in full and removed from the MSU Luckasen Room on the evening of the auction, unless other arrangements have been made. We accept cash, checks, Discover Card, VISA, and Mastercard. All checks should be made payable to "MSU Foundation." All sales are final. There will be no exchange or refund on items.

- L-65 "The BIG-10" Reverse Auction**
Sometimes this kind of auction is called a backwards auction, because in a regular auction, the top bidder wins. In this auction, every single bidder wins ... the top bidder, the bottom bidder, and every bidder in-between. Every bid wins! It's a way for each of us here tonight to answer the question - "How much am I willing to bid to help a special young man or young woman get an academic honor scholarship?" Decide what your bid to help a student will be, and raise your hand when the bidding gets to you! All bids are added together to make a grand total of scholarship dollars that are separate from the other event proceeds tonight. The amount raised in the "BIG-10" Reverse Auction will generate ten \$1,000 academic scholarships for the 2015-2016 academic year, and the best part is that the \$10,000 will get a 50% match from the state of North Dakota! Your name will appear on a certificate given to the students who receive this scholarship.
