Coordinated by the MSU Foundation

Funds raised are distributed by
the Comet Athletic Club, the MSU Foundation,
and the Mayville State University Alumni Association,
for the benefit of Mayville State University and its students.

A Message from Mayville State University President, Dr. Gary Hagen

Dear Friends of Mayville State University,

Welcome to Farmers Bowl, MSU's annual festival honoring the region's agricultural way of life! Farmers Bowl began in 1995 and has become an annual highlight for the entire area. It is fitting to celebrate our agricultural way of life as we cheer on the Comets and support Mayville State University.

Your donations to the Farmers Bowl Auction create new opportunities for deserving students and help to make a college education affordable. Mayville State University depends on the generosity of its donors for scholarships and other awards. Your participation and contributions are appreciated very much. Your philanthropy helps to ensure the success of the next generation.

Enrollment is looking great again this year! We've experienced several years of record enrollment, and we expect that when the final official numbers are calculated in a couple of weeks, we'll be very happy with the numbers once again. We are very proud of our faculty and staff, whose hard work and dedication has helped to make for a bigger and better Mayville State University.

Things are going well campus-wide, and we are in the enviable position of having accomplished all, and even more, of the plans we laid down a number of years ago. The closest thing we have to a crystal ball is a good strategic planning process. That process allows us to create the future. Our task during this academic year will be to examine literally all the variables that affect our campus, our dreams, and our resource realities to chart a future for Mayville State University that will be challenging, exciting, and beneficial to the campus, community, state, and region.

Thank you to our co-chairs for the Farmers Bowl, Lois Karlstad and Cheryl Angen. They have served on the committee for several years, and have stepped up to lead the charge the last few years. They have done a fantastic job! We appreciate their tireless efforts and continued support for Mayville State University. We also thank auctioneers Wayne Trottier and Butch Lovas and the many other volunteers who work together to make the Farmers Bowl a success year after year. This is a great team effort!

A big thank you goes to Lindsey Brown and Pifer's Auction and Realty, Alerus, and Kelley Bean for their sponsorship contributions to the Farmers Bowl Auction. When you have the opportunity, please be sure to thank these folks. Because of their generous monetary support, this year's Farmers Bowl activities will bring even greater benefits to Mayville State University and its students.

Thank you for joining us tonight. I hope you have a great time and that you will bid high and often!

Sincerely,

Gary Hagen

HARVEST of HOPE

Honor Scholarship

Every year, Mayville State University seeks students from North Dakota and Minnesota who are outstanding high school students.

Scholarships of \$500 to \$2,500 are awarded to these students to help them with up to 40% of their first year's tuition.

Can you help us GROW more opportunities with the Harvest of Hope Honor Scholarship?

Every gift is important and all gifts will receive a **50% match** from the state of North Dakota!

Last year we were able to raise \$15,000 through the reverse auction scholarship at Farmers Bowl and 10 students received an average honor scholarship of \$1,500.

This year our goal is to harvest
FOUR MORE scholarships
and raise **\$20,000!**

Please **fill out** a donation card anytime during the evening.

Give it to one of our Farmers Bowl Volunteers or bring it to the cashier in the foyer.

We will **update** you on the HARVEST during the course of the evening.

Payment can be made at the end of the evening with the cashier in the foyer.

Bidding Procedures & Information

Registration

All individuals should register at the cashier's desk upon arrival. A bidding number will be assigned and final instructions will be shared at that time.

Silent Auction

Each item has its own bidding sheet. When bidding on silent auction items, place your bidding number, your last name, and the amount of your bid in the appropriate columns. You may raise your bid as often as you wish, until the closing time is announced. All silent auction items have a minimum bid-raise amount noted on the top of the bid sheet. Silent bids may not be withdrawn once submitted. High bidders may pick up their items after they have paid for them at the cashier's desk.

Live Auction

The auctioneer conducts the live auction and has the final word on an auctioned item. Hold your bidding number up high when you wish to bid on a live auction item.

Sales and Certificates

Please read your catalog carefully! All trips, items, and services must be used during the designated dates and within guidelines. In the case of dinners by private individuals, arrangements must be made so the times will be convenient for both the donor and the auction-item winner. These items must be used within one year of the auction, unless otherwise designated. Some auction items are represented by certificates for products or services and must be presented to the donor to redeem the services or products. Please be sure to pick up your designated certificate(s).

Payment and Pick Up

Successful bidders in the silent and live auctions should pay for their items at the cashier's desk. All items must be paid in full and removed from the MSU Luckasen Room on the evening of the auction, unless other arrangements have been made. We accept cash, checks, Discover Card, VISA, and Mastercard. All checks should be made payable to "MSU Foundation." All sales are final. There will be no exchange or refund on items.

L-40 Memories of the Old Gym

A mainstay on the campus of Mayville State University for 85 years, the Old Gym helped create memories for countless people. It served primarily as a venue for college and high school games and was the place to be for exercise and the occasional dance. After the construction of the Lewy Lee Fieldhouse, an upper deck was added over the bleacher sections in the Old Gym to house the weight room. Later, the weight room was moved onto the main floor and batting cages were placed on the upper deck. In 2012, Mayville State made the difficult decision to demolish this icon due to safety issues. It will be replaced by a classroom complex for the Division of Health, Physical Education, and Recreation. This one-of-a-kind commemorative piece to the 1929 Gymnasium features a 16"x20" frame constructed of pieces of the original gymnasium floor. Displayed on a double mat of Comet Blue and White are a copy of an early architect's drawings, the actual 1930 Mayville State University Summer Bulletin commemorating its opening, and an early picture of the completed Gymnasium from an original negative.

TURF CAMPAIGN

BUILDING THEIR *field of dreams*

It's time to tell the world as phase two of our artificial turf campaign begins! This great campaign, which began in the Mayville-Portland area, now goes national! Alumni, friends and smart businesses throughout the United States will be invited to help transform Mayville State University and its athletic and HPER programs. Baseball, football and softball will be elevated to a new level of competitiveness! So far, we have raised nearly \$400,000 in cash and endowment for the fields. These fields will happen when every member of the alumni team locally, regionally and nationally steps forward to do what each of us can do. These fields of dreams can become our tribute to the historic coaches who made those early years so very exciting. Help support the coaches of today with a gift to keep our university and our community strong!

Information packets are available tonight in the atrium and you can also contact John Klocke at the Foundation at 701-788-4787.
