

# MAYVILLE STATE UNIVERSITY

Pre-Nursing (MaSU) & LPN, ADN (LRSC)

*Practical Nursing, Associated Degree - Lake Region State College*

## Personal Service

We pride ourselves on being just the right size to give students the time they need to be successful. Our average class size is 15, so you will have small, personalized class settings with a technologic focus for you to receive the education that you deserve. Your professors will introduce you to new ways of thinking, explore issues creatively, and evaluate ideas as you engage in the world.

## Opportunity

Whether it's music, athletics, or politics, students at MSU have the chance to participate in a variety of activities and clubs. These organizations are a great way to make new friends with similar interests, and the involvement outside the classroom looks great on a resume.

Some clubs and activities include:

- Theater
- Band & choir
- DECA
- Science Club
- Comet Radio
- Student government
- Intramural sports

## Success

Our students get jobs. Period. We have internship opportunities to give you real, hands-on learning experiences and make your resume stand out.

## Value

The combination of MSU's affordability and its unique offerings make it a Best Regional College, as designated by the Princeton Review. This selection process is based on meeting criteria for academic excellence as well as results of surveys done by current MSU students.

## The Program

Thank you for your interest in Lake Region State College's nursing program offered on Mayville State's campus. Students who are interested in LRSC's nursing program can complete co-requisite courses at MSU. You will first enroll with MSU and then apply to LRSC's nursing program. If accepted, you will transfer to LRSC to complete the program.

## Visit Campus

A campus visit is the best way to see all the benefits of Mayville State. Campus tours are offered Monday through Friday and can be scheduled by calling the Enrollment Services office at 800.437.4104, ext. 34842.

You will meet with an Enrollment Services representative and tour the campus with a student tour guide. A faculty member in your academic area will give you an overview of the courses you will be taking and real world examples of what our graduates are doing with their degrees.

## Mayville State Tuition & Fees

North Dakota Resident Tuition	\$6,667
Minnesota Resident Tuition	\$7,323
Contiguous/MHEC Resident Tuition	\$8,034
All Other States & Provinces Tuition	\$9,400

### PLUS:

Room & Board	\$6,380*
--------------	----------

\*Depending on residence hall selection

## MSU Pre-Nursing Program

Students pursuing nursing degrees often complete several required academic courses while taking co-requisite courses. This early start allows them to concentrate on nursing skills courses once they are accepted into the nursing program. We encourage this strategy for students who have significant family and work responsibilities. Early start courses include:

- College Composition I
- Microbiology - *must be done no later than fall semester of AD year*
- Introduction to Psychology
- Developmental Psychology
- Algebra prep III or higher - *must qualify for college Algebra, either by test or classes*
- Introduction to Pharmacology
- Anatomy and Physiology I and II
- ENGL 120, ENGL 125 or COMM 110

## LRSC Practical Nursing Program

Students may attend Mayville State for co-requisite courses. Apply to Lake Region State College in December of year before joining the Nursing Program. Once accepted, apply to the Dakota Nursing Program. Applications are open from December to March 5th. Classes start in August.

Admission to the LRSC practical nursing program requires:

- Completion of Basic Life Support for Healthcare Providers (CPR), NOT Heartsaver
- Academic and math readiness verified by test scores
- TOEFL required for ESL applicants verified by test scores

Once a student has been accepted into the LRSC nursing program, they will complete the following Lake Region State College nursing courses for the practical nursing program.

### Fall Semester

LRSC NURS 120 Foundations of Nursing	3 credits
LRSC NURS 121 Practical Nursing I	3 credits
LRSC NURS 122 Clinical Practice I	3 credits

### Summer Semester

LRSC NURS 126 Clinical Nursing III	3 credits
LRSC NURS 129 Practical Nursing III	3 credits
