Note: Courses that satisfy expectations of course content for the specific MaSU 300-level courses indicated will transfer for those MaSU courses as non-upper division credit towards the total of 120 semester credits required for graduation. The 200-level transfer courses cannot count as true 300-level courses towards the 30-semester credit upper division courses requirement for a bachelor's degree.

All credit-bearing coursework completed in an Associate of Applied Science program, an Associate of Arts program, or an Associate of Science program applies to the 120 credits required for graduation with a bachelor's degree from Mayville State University.
