

how to enter/update your emergency notification information

1. Go to the MSU home page at <http://www.mayvillestate.edu/> and click on the Campus Connection icon
2. Enter User ID and Password | click **LOG IN**
(If you are experiencing problems logging into self-service, contact the NDUS Help Desk at 1-866-457-6387.)
3. Follow prompts for Authentication
4. Select **EMERGENCY NOTIFICATION UPDATE** from Menu
5. Verify or change phone number and email AND select Mayville State.
(You can select up to four campuses where you are enrolled.)
6. Be sure to select **ACCEPT** to save the information entered

The emergency notification system (ENS) is used by all 11 North Dakota University System colleges and universities to provide timely information and instructions directly to students, faculty, staff and others during emergencies or urgent situations.

Providing a safe campus environment is a top priority. Timely notification of events such as natural disasters and acts of violence will empower students, faculty and staff to take the appropriate steps to protect their safety. The ENS system will also be used to announce weather-related closings.

This is a closed system so your information cannot be used for any other purpose or be seen by anyone else. Please contact Mary Trudeau in the President's Office if you have questions.

Campus Emergency Notification Information

CENS is the Campus Emergency Notification System. It is used to notify students, faculty, and staff of vitally important information in emergency situations. An "emergency" means a situation that poses an immediate threat to the health or safety of someone in the institution or system community, or that significantly disrupts institution or system programs and activities, such as a school closing.

You will be asked to provide a phone number and/or an email address. You can also select the institution(s) that will be authorized to notify you.

Every 90 days, you will be reminded to review and update your emergency notification information. For more information, select the [Frequently Asked Questions](#) link.

Note: Faculty and staff members are already enrolled in the CENS through the payroll process. Your notification will come from the institution where you are employed. As a student, you will need to select the institution(s) of your choice.
