

Welcome to Starfish!

A web-based advising tool designed to support student success.

It is easy to get started. **After you are registered for classes**, you can access Mayville State University's Starfish system through MSU's website, SharePoint, or the MSU mobile app. *(Your login credentials will be the same as your Campus Connection credentials)*

Click the Starfish icon at the top of MSU's website to access the login page.

Once signed into SharePoint, click the Starfish icon to access the login page.
