

MAYVILLE STATE UNIVERSITY

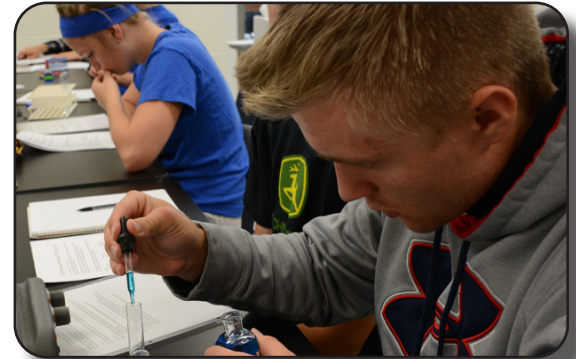

General Science Minor

This minor provides students with the knowledge, skills, and techniques desirable for teaching science in some elementary schools or for utilization in various areas in which science may be used as a tool. This minor consists of a minimum of 20 semester hours.

Requirements include a minimum of:

- eight (8) semester hours in any two areas of science (biology, chemistry, earth science, or physics)
- four (4) semester hours in a third area

Please note, SCNC 101 - Natural Science and SCNC 102 - Physical Science may not be used to complete this minor.
