 This lab course is intended for students that have already completed the corresponding lecture course. For this online lab you need to purchase lab kit from the MSU bookstore (about \$600). If the kit is sent back to the bookstore in good condition at the end of the 8-week term, the bookstore will buy the kit back for about \$340. The original cost of the kit is the replacement cost if a kit is not sent back. You will not be able to find the kit elsewhere and the Physics I kit and Physics II kits are different so one kit will not allow you to do all the labs in both courses.
