Pre-Nursing

Personal Service
We pride ourselves on being just the right size to give students the time they need to be successful. Our average class size is 15, so you will have small, personalized class settings with a technologic focus for you to receive the education that you deserve. Your professors will introduce you to new ways of thinking, explore issues creatively, and evaluate ideas as you engage in the world.

Opportunity
Whether it’s music, athletics, or politics, students at MSU have the chance to participate in a variety of activities and clubs. These organizations are a great way to make new friends with similar interests, and the involvement outside the classroom looks great on a resume.

Some clubs and activities include:
• Theater
• Band & choir
• Computer Technology Club
• Science Club
• Comet Radio
• Student government
• Intramural sports

Success
Our students get jobs. Period. We have internship opportunities to give you real, hands-on learning experiences and make your resume stand out.

Value
The combination of MSU’s affordability and its unique offerings make it a Best in the Midwest College, as designated by the Princeton Review. This selection process is based on meeting criteria for academic excellence as well as results of surveys done by current MSU students.

The Program
Thank you for your interest in Lake Region State College’s nursing program offered on Mayville State’s campus. Students who are interested in LRSC’s nursing program can first complete pre-requisite courses at MSU. You will first enroll with MSU and then apply to LRSC’s nursing program. If accepted, you will transfer to LRSC to complete the program.

Visit Campus
A campus visit is the best way to see all the benefits of Mayville State. Campus tours are offered Monday through Friday and can be scheduled by calling the Enrollment Services office at 800.437.4104, ext. 34842.

You will meet with an Enrollment Services representative and tour the campus with a student tour guide. A faculty member in your academic area will give you an overview of the courses you will be taking and real world examples of what our graduates are doing with their degrees.

MSU Pre-Nursing Program

Students pursuing nursing degrees often complete several required academic courses while taking prerequisite courses. This early start allows them to concentrate on nursing skills courses once they are accepted into the nursing program. We encourage this strategy for students who have significant family and work responsibilities. Early start courses include:

- College Composition I
- Microbiology
- Introduction to Psychology
- Developmental Psychology
- Algebra prep II or higher
- Introduction to Pharmacology
- Anatomy and Physiology I and II
- ENGL 120, ENGL 125 or COMM 110

LRSC Practical Nursing Program

Admission to the LRSC practical nursing program requires:

- Completion of CPR certification for health care providers
- Academic and math readiness verified by test scores
- TOEFL required for ESL applicants verified by test scores
