## **Article III. Membership**

The Faculty Association of Mayville State University will consist of all faculty employed full-time and who give a minimum of half-time academic service, defined as hours of teaching per semester, or professional service in lieu thereof, Fall and Spring, to the University. Each member has one vote and must be present to vote. Ex- officio members, as outlined in the By-laws, may serve as non-voting members.

Part-time faculty who teach at least half-time, defined as at least twelve credit hours of teaching over the current and previous semesters, may choose to become a voting member of the Mayville State University Faculty Association by expressing their willingness to join as voting members at the Mayville State University Faculty Association meeting initiating each academic semester. Only those who exercise this opportunity will be voting members and therefore included along with the number of full-time faculty in determining the existence of a quorum at subsequent Faculty Association meetings.
