FINANCIAL ASSISTANCE

FINANCIAL AID
Financial aid typically is awarded on the basis of financial need. The Free Application for Federal Student Aid must be completed by all students requesting aid from MSU. The information provided on the FASFA is used to estimate the amount of funds your family is expected to contribute toward the cost of attending MSU.

TO PURSUE FINANCIAL AID AT MSU:
1. Complete the Free Application for Federal Student Aid (FAFSA) online at www.fafsa.gov.
2. Complete the application by March 15 to meet MSU’s priority registration date. If the application is processed after March 15, your award could be limited to the financial aid that is available at that time. Be sure to list MSU’s federal school code of 002993 on your application.
3. Once the application is processed, MSU will receive your FAFSA information and will make every effort to provide adequate financial assistance.

Please contact the Enrollment Services office to discuss scholarship and financial aid opportunities in further detail. Residents of North Dakota and Minnesota are eligible for Honor and Leadership Scholarships. Residents of other states and provinces may qualify for Non-Resident Merit Scholarships. All scholarships for new students are based on past academic performance and potential. In addition, the MSU Foundation provides financial support through scholarships that are awarded based on specific criteria. Interested students should complete the scholarship application form available online at www.MayvilleState.edu/ScholarshipApplication.
SCHOLARSHIPS

Awards are based on a combination of ACT/SAT scores and high school or college GPA. In order to be considered for the scholarship, students should submit an application for admission, ACT/SAT scores, and high school transcripts. New transfer students with 24 or more credits should submit official college transcripts. No other scholarship application is necessary.

Graduates of high schools in other states will be admitted upon meeting these same requirements. A limited number of students who have not had the required high school courses may be admitted. Contact the Office of Admissions for further information.

To apply for freshman admission for the upcoming academic year, submit the following:

1. An official high school **TRANSCRIPT** or proof of successful completion of the GED. Ask your high school to mail an official transcript. If you completed your GED exam, have the official results sent to MSU.

2. A completed university immunization form. For anyone born after 1956, **PROOF OF IMMUNIZATION** against measles, mumps and rubella must be supplied by official documents.

3. Scores of the **ACT** or the **SAT**. This is required of students 24 years of age or younger. (MSU code number is **3212** for ACT and **6478** for SAT.)

4. An official and complete transcript showing any and all courses attempted and grades earned from another college or university.
