

Mayville State University Student Senate

The Student Senate is established for the benefit of all students of this institution with the purpose to act as the governing organization of the student body and as a representative of the student body to the faculty and staff.

Mayville State University Student Senate was established with approval of the President of Mayville State University. The constitution/bylaws and any future amendments must be approved by the university president. The constitution and bylaws are located within the Student Handbook on the MSU website.

Revised: January, 2015

Sponsor: Vice President for Student Affairs and Institutional Research
