Business Administration
Bachelor of Science

Earn your Bachelor of Science degree from Mayville State University through a combination of online and IVN classes on the campus of Williston State College in Williston, North Dakota. Remain near home, work, and family while earning a four-year degree that will open doors to exciting career opportunities.

The Program Guidelines

The business administration program requires 120 semester hours of which 36 hours must be completed at the 300-or-400 course level.

Students must complete approximately one-fourth of their major and specialization course work while enrolled with Mayville State University, must earn at least 30 semester hours from Mayville State, and must have enrolled with Mayville State for two consecutive semesters.

Candidates must earn at least a 2.0 GPA for the overall average, essential studies requirements, and for each major and minor field of study as well as any concentration or specialization granted.

The program stresses a generalist understanding and application of the nature of business in today's and tomorrow's world of employment. Graduates will be prepared to take higher-level positions or become self-employed, and the program is transfer-friendly, convenient, flexible, and affordable.

Advantages

Technology-enriched. Mayville State recognizes the importance of technology in today’s world and wants to ensure that baccalaureate graduates have the technological knowledge and skills necessary to effectively compete.

Affordable. Mayville State courses are among the least expensive of any four-year university. Financial aid is available in the form of grants, loans, and scholarships.

To see if you are eligible for financial aid, you first need to complete the FAFSA (Free Application for Federal Student Aid). When completing the form, list Mayville State University (Title IV code 002993) on your application. To apply for an MSU scholarship, go to www.mayvillestate.edu. Click “Scholarships” and complete the scholarship application.
