

You indicated on your 2024-2025 FAFSA that your parent(s) are unwilling to provide their information on the FAFSA. If that is correct you would only be eligible for an Unsubsidized Loan and no other Federal Grants, or Subsidized Federal Loans.

Due to a change in the FAFSA form, many students incorrectly check the Unsubsidized Only box. **If your parent(s) are willing to provide their information on the FAFSA, please log into <https://studentaid.gov> to change your answer to no for Unsubsidized Loan Only.** Also, you would invite your parents to provide their information and consent.

IMPORTANT: Students whose parents refuse to complete/sign the FAFSA may not appeal to be considered "Independent" students except in exceptional circumstances. If you believe your circumstances are exceptional, please contact the Financial Aid Office, or review our [unusual circumstance](#).
