

# Science in a Nutshell

## *Earth and Sun*

**Description:** Make scale models to show relative size and distance. Study motion and position of objects in the solar system. Observe patterns of movement of objects in the sky.

**Includes:**

- Activity Guide
- Activity Journals
- 3-minute timer
- Adding Machine Paper
- Batteries for Flashlight
- Flashlight
- Graph Paper
- Masking Tape
- Measuring Tape
- Pushpins
- Ruler
- Straws
- Thermometer
