

Science in a Nutshell

Magnet Magic

Description: Identify magnetic materials, and investigate polar strength. Observe an invisible magnetic field, make a magnetic compass, and learn how to keep magnets strong.

Includes:

- Activity Guide
- Activity Journals
- Compass, directional
- Magnetic field demonstrator
- Magnetic Test Shields
- Magnets, bar
- Magnets, marble
- Magnets, ring
- Magnetism Test Items
- Paper clips, steel
- Toy car kit
