

Science in a Nutshell

Oceans in Motion

Description: Model the physical features of oceans; find out about waves, currents, and tides. Discover properties of water; explore the water cycle and atmospheric movement.

Includes:

- Activity Guide
- Activity Journals
- Containers
- Food Coloring
- Marbles
- Markers
- Masking tape
- Modeling clay
- Pepper
- Rope
- Rubber ball
- Rubber bands
- Salt
- Sand
- Soil
- Thermometers
- Wooden bead
