

# Science in a Nutshell

## Ponds and Streams

**Description:** Learn how streams and ponds form, what habitats they contain, how freshwater organisms adapt, and how factors such as pH affect these environments.

### Includes:

- Activity Guide
- Activity Journals
- Feathers
- Frog-shaped Sponges
- Gravel
- Sand
- Lemon Juice
- Litmus Paper
- Magnifier
- Measuring scoop
- Microscope slides & cover slips
- Powdered Paint
- Petri Dish
- Pipette
- Sampling bottles with caps
- Thermometers
- Vials with caps
- Watercolor markers
