

MAYVILLE STATE UNIVERSITY

Music Education Minor

Personal Service

We pride ourselves on being just the right size to give students the time they need to be successful. Our average class size is 15, so you will have small, personalized class settings with a technological focus for you to receive the education that you deserve. Your professors will introduce you to new ways of thinking, exploring issues creatively, and evaluating ideas as you engage in the world.

Opportunity

Whether it's music, athletics, or politics, students at MSU have the chance to participate in a variety of activities and clubs. These organizations are a great way to make new friends with similar interests, and the involvement outside the classroom looks great on a resume.

Some clubs and activities include:

- Theater
- Student Education Association
- International Club
- Band & Choir
- Science Club
- DECA
- Esports
- Comet Radio
- Student Government
- Intramural Sports

Success

Our students get jobs. Period. We have internship opportunities to give you real, hands-on learning experiences and make your resume stand out.

Value

The combination of MSU's affordability and its unique offerings make it a Best Regional College, as designated by the Princeton Review. MSU was also named one of the top three Public Regional Colleges in the Midwest by U.S. News & World Report.

Band and Choir

The Music Department at Mayville State University has continued to grow and give students the opportunity to develop themselves. The department features the Concert Choir, Concert Band, and Jazz Ensemble. Students can participate in as many ensembles as they wish.

Band and choir concerts throughout the year include:

- Homecoming
- Winter concert
- Pops concert
- Spring concert
- Madrigal Dinners

A minor education minor is available and is compatible with many majors. (See back)

Scholarships

With support from the Mayville State Foundation and community, the Music Makers scholarship endowment provides a scholarship to every student participating in a large ensemble (band, choir, jazz) at MSU. The amounts vary and are determined on the number of years involved in the ensembles. MSU students also have the opportunity to apply for additional music scholarships during the academic year, which are awarded based on GPA, involvement, and major/minor.

Music Education Minor

The North Dakota State Board of Higher Education approved the Music Education minor on November 4, 2010. The North Dakota Education Standards and Practices Board (ESPB) approved the music minor equivalency endorsement for Mayville State University in August of 2013.

This minor has been designed to complement an Elementary Education major, but it could be compatible with such majors as Business Administration, Fitness and Wellness, English, and Communication.

Students completing this minor with a teaching major (such as Elementary Education) may apply to ESPB for a music minor equivalency endorsement. Two types of endorsements are available-music education: Instrumental and Music Education: Composite. It is the student's responsibility to apply for this endorsement. The endorsement form can be found on the ND ESPB web site, www.nd.gov/espb.

Pre-requisite: HUM 220

Core Courses

MUSC 122	Music Theory I	3 SH
MUSC 124	Music Theory II	3 SH
MUSC 200	Music in America	3 SH
MUSC 250	Keyboard I	1 SH
